5.0 out of 5 stars I Just Hope It's Lethal. I picked this up on a whim, without even reading the back, and so was not expecting much--only to be completely blown away. Most poetry anthologies I read contain just a slim number of poems I like, but I enjoyed the majority of the works in this book. Most of them deal with emotions and mental illness; some were humorous, some were serious, and a few made me actually stop breathing from their sheer brilliance.

Provides a selection of poems from an array of celebrated authors, such as W.B. Yeats and Jane Kenyon, that capture the diverse drama, insanity, and high emotions of teenage existence.

The teenage years are a time filled with sadness, madness, joy, and all the messy stuff in between. Sometimes it feels that every day brings a new struggle, a new concern, a new reason to stay in bed with the shades drawn. But between moments of despair and confusion often come times of great clarity and insight, when you might think, like

the poet Rumi, "Whoever's calm and sensible is insane!" It is moments like these that have inspired the touching, honest, and gripping poems found in *I Just Hope It's Lethal: Poems of Sadness, Madness, and Joy*. After all, what's normal anyway? This collection includes poems by Charles Bukowski, Sylvia Plath, Anne Sexton, T.S. Eliot, Edgar Allan Poe, W.B. Yeats, Dorothy Parker, Jane Kenyon, and many more, including teenage writers and up-and-coming poets.--

After three children stumble on dumped radioactive waste in a Murmansk forest, one of them dies from radiation poisoning. Outraged by such a tragic waste of a child's life, American doctor John Ross joins forces with a Typhoon class submarine captain (the father of one of the surviving children) and an undercover operative from the Russian Radiation Authority to hunt down those responsible. This puts them on a collision course with a Russian Mafia boss and an Al-Qaeda agent determined to acquire nuclear material. They find themselves entangled in a web of brutality, bribery and blackmail, where no one is who they seem and everyone is expendable ...

When an item from a time capsule discovered in the foundation of a local church goes missing and a young woman is murdered, aspiring novelist Olivia Limoges, with the help of her fellow writers, must read between the lines to catch a clever killer. Includes teaser. By the best-selling author of *Poisoned Prose*. Original. 20,000 first printing.

One in every five Americans lives with at least one disability or disorder, including both the obvious, such as those requiring the use of a wheelchair, and the less evident ones, such as eating disorders or Asperger's syndrome. Those responsible for teaching disabled students and providing services and support for them need ready access to reliable and up-to-date resources. *Disabilities and Disorders in Literature for Youth: A Selective Annotated Bibliography for K-12* identifies almost 1,000 resources to help educators, professionals, parents, siblings, guardians, and students understand the various disabilities and disorders faced by children today. This bibliography consists of four major headings—Emotional, Learning, Physical, and Multiple Disabilities—which are further categorized into works of fiction and nonfiction. Annotations provide a complete bibliographical description of the entries, and each entry is identified with the grade levels for which it is best suited and resources are matched with appropriate audiences. Reviews from recognized publications are also included wherever possible. Anyone interested in identifying helpful resources regarding disabilities and disorders will find much of value in this essential tool.

When the husband of a wealthy dog food heiress is found bludgeoned to death at an exclusive hunt club, Nora Blackbird is as surprised as anyone. Worse still, the evidence points toward a devious blackmail scheme—with Nora's sister, Emma, as the main suspect. Investigating

with the help of friend and foe alike, Nora uncovers the secrets of some of Philadelphia's high-and-mightiest-and attracts the unwanted attentions of the real killer...

Authors Shannon Hengen and Ashley Thomson have assembled a reference guide that covers all of the works written by the acclaimed Canadian author Margaret Atwood since 1988, including her novels *Cat's Eye*, *The Robber Bride*, *Alias Grace*, and the 2000 Booker Prize winner, *The Blind Assassin*. Rather than just including Atwood's books, this guide includes all of Atwood's works, including articles, short stories, letters, and individual poetry. Adaptations of Atwood's works are also included, as are some of her more public quotations. Secondary entries (i.e. interviews, scholarly resources, and reviews) are first sorted by type, and then arranged alphabetically by author, to allow greater ease of navigation. The individual chapters are organized chronologically, with each subdivided into seven categories: Atwood's Works, Adaptations, Quotations, Interviews, Scholarly Resources, Reviews of Atwood's Works, and Reviews of Adaptations of Atwood's Works. The book also includes a chapter entitled 'Atwood on the Web,' as well as extensive author and subject indexes. This new bibliography significantly enhances access to Atwood material, a feature that will be welcomed by university, public, and school librarians. *Margaret Atwood: A Reference Guide 1988-2005* will appeal not only to Atwood scholars, but to students and fans of one of Canada's greatest writers.

Bestselling author Carla Cassidy dazzles us with her *Men of Wolf Creek*—heroes who live and love fiercely. Marlene Marcoli made the mistake of falling in love and almost lost her life. Hoping to put her abusive marriage behind her, Marlene moves to Wolf Creek, Pennsylvania. But danger follows her once again when her apartment is vandalized. To make matters worse, the sexy detective working the case is distracting her beyond reason. Detective Frank Delaney hasn't been interested in dating since his wife died—until Marlene comes to town. Irresistibly drawn to the blonde, he's got to find a way to make her trust him. And when Marlene's life is threatened, Frank must race to protect her—if they both hope to have a second chance at love.

In 1542, eager to escape the French Huguenot household of her harsh father, sixteen-year-old Marguerite de la Rocque sails to the New World where she is left alone on an island when she is discovered with her young Catholic lover.

With works by over 100 poets, *The Bloomsbury Anthology of Contemporary Jewish American Poetry* celebrates contemporary writers, born after World War II, who write about Jewish themes. This anthology brings together poets whose writings offer fascinating insight into Jewish cultural and religious topics and Jewish identity. Featuring established poets as well as representatives of the next generation of Jewish voices, it includes poems by Ellen Bass, Charles Bernstein,
