at home under the blankets, entrepreneurs can use this period to their advantage. With the right attitude, you can not only survive, but also emerge from the crunch with a new feeling of prosperity and strength. Over the years, Michael Hill has had just about every possible experience in business: from lie-awake-at-night nerves to the joy of unexpected success. He's reshaped the landscape under his feet and he has ventured into new territory. And at every moment, he has relished the excitement of it all. Once, he was an outsider in his industry; the cheeky startup whom nobody expected to succeed. The established players had no reason to view him as a threat. Now, his business is the establishment. It dominates the markets in which it operates. Michael Hill Jeweller is a respected part of the business culture in a large part of the world - and they are continuing to expand in both size and ambition. This book
