the quick response!

This site is awesome!

This should get me

started. Do you know

if the mower decks,

blowers, and blades

are all the same for

the 182,282, and

382? kmcconaughey

The International
Cadet 76 was a
smaller lawn tractor,

Download Free International

not part of the Cub
Cadet garden tractor
line. The 76 used a
7-hp vertical
crankshaft Briggs &
Stratton engine with
a belt drive to the
transmission, which
was a Peerless
3-speed. The 76 was
designed for mowing
grass, not plowing,
and so it did not have
a rear hitch.
