Intimate Relationships, 3rd editon, by Sharon S. Brehm, Rowland S. Miller, Daniel Perlman, and Susan Campbell preserves the personal appeal of the subject matter and vigorous standards of scholarship that made the earlier editions so successful. Written in a unified voice, this text builds on the reader-friendly tone that was established in the first two editions. It presents the key findings on intimate relationships, the major theoretical perspectives, and some of the current controversies in the field. Brehm, Miller, Perlman, and Campbell illustrate the relevance of close relationship science to readers' everyday lives, encouraging thought and analysis. Classic contributions to the field are covered in addition to topics on the leading edge of research.

Violence and Maltreatment in Intimate Relationships describes the magnitude, risk factors, and consequences of intimate violence. The text offers a multidisciplinary focus that examines traditional areas of interpersonal violence as well as forms of intimate abuse outside the family. Addressing intimate relationship violence across the developmental lifespan, the Second Edition offers a mix of historical and contemporary perspectives, as well as personal stories and high-profile cases to provide readers with ample opportunity for application of the explanations, research, and data. The authors discuss the professional and social response to violence and maltreatment in intimate relationships (VMIR) to further the understanding of how to treat victims and how to prevent future intimate violence. FREE DIGITAL TOOLS INCLUDED WITH THIS TEXT SAGE Edge gives instructors the edge they need to succeed with an array of teaching tools in one easy-to-navigate website. After decades of failed relationships and painful drama, Donald Miller decided he ' d had enough. Impressing people wasn ' t helping him connect with anyone. He ' d built a life of public isolation, yet he dreamed of meaningful relationships. So at forty years old he made a scary decision: to be himself no matter what it cost. From the author of Blue Like Jazz came a book about the risk involved in choosing to impress fewer people and connect with more, about the freedom that comes when we stop acting and start loving. It is a story about knocking down old walls to create a healthy mind, a strong family, and a satisfying career. And it all feels like a conversation with the best kind of friend: smart, funny, true, important. Scary Close is Donald Miller at his best.

NEW YORK TIMES NOTABLE BOOK OF 2020! NPR BEST BOOK OF 2020 PEOPLE MAGAZINE TOP TEN BOOKS OF THE YEAR BOOKPAGE BEST BOOK OF 2020 GOOD HOUSEKEEPING BEST BOOK OF 2020 " A sensual and perceptive novel. . . . With humor and humanity, Miller resists the simple scorned-wife story and instead crafts a revelatory tale of the complexities—and the absurdities—of love, infidelity, and grief. " —O, the Oprah Magazine A brilliantly insightful novel, engrossing and haunting, about marriage, love, family, happiness and sorrow, from New York Times bestselling author Sue Miller. Graham and Annie have been married for nearly thirty years. Their seemingly effortless devotion has long been the envy of their circle of friends and acquaintances. By all appearances, they are a golden couple. Graham is a bookseller, a big, gregarious man with large appetites—curious, eager to please, a lover of life, and the convivial host of frequent, lively parties at his and Annie ' s comfortable house in Cambridge. Annie, more reserved and introspective, is a photographer. She is about to have her first gallery show after a six-year lull and is worried that the best years of her career may be behind her. They have two adult children; Lucas, Graham ' s son with his first wife, Frieda, works in New York. Annie and Graham ' s daughter, Sarah, lives in San Francisco. Though Frieda is an integral part of this far-flung, loving family, Annie feels confident in the knowledge that she is Graham ' s last and greatest love. When Graham suddenly dies—this man whose enormous presence has seemed to dominate their lives together—Annie is lost. What is the point of going on, she wonders, without him? Then, while she is still mourning Graham intensely, she discovers a ruinous secret, one that will spiral her into darkness and force her to question whether she ever truly knew the man who loved her.

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, Buzzfeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

Current and diverse: a perfect match for today's student

Are you afraid of or unable to create intimacy or closeness with your intimate partner? Do you find that sometimes you create emotional, communicative, or even physical distance from that special someone in your life, even when, deep down, you really don't want to? If so, you share the relationship style psychologists refer to as the distancer. Distancers are often afraid of being engulfed or controlled by their partners. They fear rejection, vulnerability, and dependence. Sadly, they also tend to have short and unhappy relationships. If you want to stop running from love in your life, this book offers a simple, step-by-step approach you can use to move beyond your fear of intimacy and start building strong and lasting relationships. The exercises and self-evaluations in the book will help you become aware of how you operate in romantic relationships. You'll review and reassess your relationship patterns, deciding what changes you want to make in future relationships. Then you'll commit to actions that can make it happen.
