~~The Secret of Perfect Living: The Miracle Mind Method~~

The Secret of Perfect Living. For many years, James T. Mangan searched for a one-word formula for living what he called a "totally optimum and perfect life." In over forty years of research, later published in 1963 as The Secret of Perfect Living, he discovered that by using only a single word to focus our universal creative energy (instead of longer affirmations, visualization, and other processes) it gave the energy a laser-like focus and power in the present moment.

2022 Reprint of the 1963 Edition. Facsimile of the original edition and not reproduced with Optical Recognition Software. Are you your own worst enemy? Psychologists say "yes"! Science has long known that within every human soul are two powerful forces fighting each other for control. Mangan proposed a break-through in mind science and puts this Secret into your hands with this book. Perfect Living means "Self-Togetherness"-perfect union of the two opposed forces within you: **THE POSITIVE FORCE:** This is the side of your personality that strives for peace, love, happiness, and achievement. This part of you is "good" . . . it is the force behind everything you ever done well, every objective you have reached, every great accomplishment. **THE NEGATIVE FORCE:** But a second power is warring for mastery within your mind and spirit. This force is the cause of all your destructive impulses, negative thinking, irrational acts, and bad moods. This force is constantly at work, leading you into temptation, giving you bad habits, battling the "reasonable" man you call yourself. **THE MAGIC WORDS**

OF POWER: Mangan proposed a magic method by which you can unite the two opposing forces within you. Through the use of the Magic Switch Words you can help your "own worst enemy" join forces with your conscious plans, decisions and objectives, to achieve a "Self-Togetherness" that makes you invincible. These key words are semantically "loaded"-they trigger a powerful release within your mind and character. Since your Subconscious "thinks" in a dream-language of imagery and symbols, these Switch Words give you conscious control . . . and for the first time in your life, you can weld the two opposed forces together in the miracle-working state that means a veritable "heaven on earth" . . . the Secret of Perfect Living!

MORE THAN FORTY-FIVE YEARS OF INTENSIVE STUDY and thousands of experiments with people from all walks of life have gone into the creation of what I call Perfect Living. And what is Perfect Living? Perfect Living is a state of absolute self-togetherness, a union of the conscious and subconscious selves for the ultimate good and benefit of your whole person. Though this union of an individual's two selves has been much written and talked about, little has been accomplished to bring it down to a tangible level. In my own mind-science studies I concentrated on discovering a practical method of uniting the conscious mind and the subconscious, and found a technique through which such a union can be achieved. My technique calls for four easily adopted attitudes and the use of switchwords, a means by which the conscious mind can "talk to" and direct the thought patterns of the subconscious. Through these switchwords the conscious person gains the cooperation of his subconscious self, creating an inner harmony that brings immediate results. For example, how often is your day spoiled by a persistent, nagging pain or headache? Aspirin may bring temporary relief, but it

doesn't get to the cause, and the pain returns. Wouldn't it be wonderful to be able to utter a single word which would instantly cause all pain to vanish? There is such a word, and Chapter 9 of this book explains in detail how you can make it work for you. Or have you ever lost or misplaced some important or valuable possessions? The more desperately you search for the object, the more it seems to elude you. But with one of the magic switchwords you relax and let your Inner Self bring you to the thing you are searching for. Chapter 8 covers the details on how you can turn on your own finder machinery. These are only two small examples of what Perfect Living and its switchwords can do for you. With Perfect Living you can do anything. You can: 1. Conquer all your fears. 2. Learn to relax. 3. Keep yourself forever young. 4. Overcome despair and "blue" moods. 5. Begin to know yourself. 6. Get along better with other people. 7. Set goals and achieve them. 8. Gain money and new prosperity. 9. Free yourself of bad habits. 10. Achieve glowing health and freedom from pain. 11. Release your hidden abilities. 12. Be a permanently happy person, invulnerable to any upset or setback. But the benefits of Perfect Living are endless and the book itself explains them all to you. Why not put this modern miracle to work now? Make Perfect Living a part of your life!

every 'get-a-header'!" James T. Mangan was a famous eccentric, public relations man and best-selling author on self-help topics.

Words have power. The very words we say and think not only describe our world but actually create it. They have a profound impact on our lives; in fact, our self-talk produces 100 percent of our results. In this pioneering, practical book, Yvonne Oswald teaches us how to filter unsupportive words to produce outstanding results, changing our perspective, relationships, and ability to manifest our deepest desires. The easy-to-follow formula holistically blends the science of language, physical well-being, and emotional cleansing. The "Keys to Success and Happiness" reconnect you with your original empowerment blueprint and develop your understanding for a lifetime of success. Every Word Has Power charms all of the senses and delivers powerful, easy tools for change. Tips, exercises, scripts, stories, metaphors, and science are interwoven to create a dynamic blend of quantum self-growth that immediately jump-starts your transformation.

Discover how to talk instantly to your subconscious and manifest the life you want.

Not so long ago James Mangan was a brilliant young poet. These days, however, he toils as a journalist and shivers in the shadow of his glamorous movie-star wife. And now she has left him for her lover. Adrift and depressed, Jamie takes refuge with his father, in whose house he

turns up a 19th-century daguerreotype bearing the initials "J.M." and depicting a man who, as it happens, is Jamie's spitting image. Could this be the only existing photograph of his purported ancestor, the legendarily dissolute Irish poet James Clarence Mangan? Obsessed by this strange resemblance—and aided by an unexpected financial windfall—Jamie heads to Ireland thinking at last to discover that elusive entity: himself. Instead, in the dreary coastal village of Drishane, he meets the Mangans: derelict Eileen, sullen Dinny, drunken (and shrunken) Conor, and the sexy and very available Kathleen. They know something, for sure—something to do with Jamie, and something they don't want him to find out. *The Mangan Inheritance* is melodrama at its most inventive and suggestive, an inquiry into the problem of identity and the nature of ancestry that beguiles the reader with dark deeds, wild humor, and weird goings-on, on its way towards a shocking and terrifying—and utterly satisfying—conclusion.

From the bestselling author of *Tangerine*, a "taut and mesmerizing follow up...voluptuously atmospheric and surefooted at every turn" (Paula McLain, author of *The Paris Wife* and *When the Stars Go Dark*). It's 1966 and Frankie Croy retreats to her friend's vacant palazzo in Venice. Years have passed since the initial success of Frankie's debut novel and she has spent her career trying to live up to the expectations. Now, after a particularly scathing review of her most recent work, alongside a very public breakdown, she needs to recharge and get re-inspired. Then Gilly appears. A precocious young admirer eager to make friends, Gilly seems determined to insinuate herself into Frankie's solitary life. But there's something about the young woman that gives Frankie pause. How much of what Gilly tells her is the truth? As a series of lies and revelations emerge, the lives of these two women will be tragically altered as

the catastrophic 1966 flooding of Venice ravages the city. Suspenseful and transporting, Christine Mangan's Palace of the Drowned brings the mystery of Venice to life while delivering a twisted tale of ambition and human nature.

The last person Alice Shipley expected to see when she arrived in Tangier with her new husband was Lucy Mason. After the horrific accident at Bennington, the two friends - once inseparable roommates - haven't spoken in over a year. But Lucy is standing there, trying to make things right. Perhaps Alice should be happy. She has not adjusted to life in Morocco, too afraid to venture out into the bustling medinas and oppressive heat. Lucy, always fearless and independent, helps Alice emerge from her flat and explore the country. But soon a familiar feeling starts to overtake Alice - she feels controlled and stifled by Lucy at every turn. Then Alice's husband, John, goes missing, and she starts to question everything around her...
