Josie And Jack Kelly Braffet

In Josie and Jack, Kelly Braffet gives us a deliciously dark, suspenseful debut novel in the tradition of Patricia Highsmith. Beautiful, brilliant, and inseparable, Josie and Jack Raeburn live a secluded, anarchic existence in their decaying western Pennsylvania home.

Josie and Jack by Kelly Braffet - Goodreads

The siblings Josie, age 16, and Jack, 18, in Braffet's haunting debut are unusually close. Their mother is long dead, and their arrogant father is a university professor who rages and fumes about the ills of mankind.

A grim tale of seduction and violence follows a brother-and-sister team from the safe but erratic home of their father--an eccentric and increasingly irrational physics professor--out into the world where Jack, a sociopath, preys on women with the help of his sister, Josie. Original.

THRILLINGLY DANGEROUS, WORRYINGLY LIKEABLE: SOME SIBLINGS ARE BETTER KEPT APART □ NOW A FILM, DIRECTED BY SARAH LANCASTER Beautiful, brilliant, and inseparable, Josie and Jack Raeburn live a secluded, anarchic existence in their decaying western Pennsylvania home. The only adult in their lives is their rage-prone father, a physicist, whose erratic behavior finally drives them away. Without a moral compass to guide them, Jack leads Josie into a menacing world of wealth, eroticism, and betrayal. His sociopathic tendencies emerge, and soon Josie must decide which is stronger: the love and devotion she feels for her brother or her will to survive. From its opening page to its shocking climax, this contemporary Hansel and Gretel story is compulsively readable and hugely entertaining.

When Miranda, a young drifter, vanishes after being picked up by a passing stranger following a car accident, no one realizes that she is missing for two months or that her highway rescuer could be tied to rumors of a serial killer stalking young women.

"An exciting fantasy adventure tale." □Booklist, STARRED Review Deeply immersive, this penetrating tale of magic, faith and self-determination is the brilliant sequel to Kelly Braffet's The Unwilling Judah the Foundling chose freedom over betrayal when she leaped from the top of the castle tower.

Now she finds herself wandering an unknown forest, far from everything and everyone she loves. For the first time in her life, she's beyond the great Wall that surrounds Highfall castle; for the first time, she's alone. Away from the Seneschal, the power behind the throne; away from Nate Clare, the House Magus who was her teacher, friend, betrayer. Away from her foster brother, Gavin, with whom she has a mysterious bond that has kept them together—and kept her alive. But Judah isn't free. Fiercely sought by those who believe she holds the key to unlocking the power trapped in the world, she must learn to navigate the dangers of an unfamiliar place. She knows that somewhere, Gavin is in peril. To save him, she not only must learn to use the new power she discovers inside herself, she must survive. The Barrier Lands Book 1: The Unwilling Book 2: The Broken Tower

While a convenience-store clerk navigates the pitfalls of his father's imprisonment and the baffling attentions of two young women, a high school freshman endures her parents' fundamentalism and cruel classmates by joining a circle of dark misfits.

THE INSTANT BESTSELLER "We the unwilling, led by the unqualified to kill the unfortunate, die for the ungrateful."
"Unknown Soldier Set in the South at the height of the Vietnam War, The Unwilling combines crime, suspense and searing glimpses into the human mind and soul in New York Times bestselling author John Hart's singular style. Gibby's older brothers have already been to war. One died there. The other came back misunderstood and hard, a decorated killer now freshly released from a three-year stint in prison. Jason won't speak of the war or of his time behind bars, but he wants a relationship with the younger brother he hasn't known

Download Ebook Josie And Jack Kelly Braffet

for years. Determined to make that connection, he coaxes Gibby into a day at the lake: long hours of sunshine and whisky and older women. But the day turns ugly when the four encounter a prison transfer bus on a stretch of empty road. Beautiful but drunk, one of the women taunts the prisoners, leading to a riot on the bus. The woman finds it funny in the moment, but is savagely murdered soon after. Given his violent history, suspicion turns first to Jason; but when the second woman is kidnapped, the police suspect Gibby, too. Determined to prove Jason innocent, Gibby must avoid the cops and dive deep into his brother's hidden life, a dark world of heroin, guns and outlaw motorcycle gangs. What he discovers there is a truth more disturbing than he could have imagined: not just the identity of the killer and the reasons for Tyra's murder, but the forces that shaped his brother in Vietnam, the reason he was framed, and why the most dangerous man alive wants him back in prison. This is crime fiction at its most raw, an exploration of family and the past, of prison and war and the indelible marks they leave.

The disturbing fate of a runaway older sister is gradually revealed in a tale told from the perspectives of the Hurst family, including a teen girl whose drug use has landed her in a mental ward, an autistic youth, an alcoholic father, and an insidiously manipulative mother.

Twenty-two of today's most talented writers (and comics fans) unite in *Who Can Save Us Now?*, an anthology featuring brand-new superheroes equipped for the threats and challenges of the twenty-first century -- with a few supervillains thrown in for good measure. Edited and with contributions by Owen King (*We're All in This Together*) and John McNally (*America's Report Card*), *Who Can Save Us Now?* enriches the superhero canon immeasurably. With

Download Ebook Josie And Jack Kelly Braffet

mutations stranger than the X-Men and with even more baggage than the Hulk, this next generation of superheroes is a far cry from your run-of-the-mill caped crusader. From the image-conscious and not-very-mysterious masked meathead who swoops in and sweeps the tough girl reporter off her feet; to the Meerkat, who overcomes his species' cute and cuddly image to become the resident hero in a small Midwestern city; to the Silverfish, "the creepy superhero," who fights crime while maintaining the slipperiest of identities; to Manna Man, who manipulates the minds of televangelists to serve his own righteous mission, these protectors (and in some cases antagonizers) of the innocent and the virtuous will delight literary enthusiasts and comic fans alike. With stunning illustrations by artist Chris Burnham, *Who Can Save Us Now?* offers a vibrant, funny, and truly unusual array of characters and their stories.

Thrillingly dangerous, worryingly likeable, some siblings are better kept apart. Josie and Jack Raeburn are beautiful, brilliant and inseparable. Their father a gifted and tempestuous man has tried to shape them to his own design, feeding them an eccentric diet of advanced physics, mathematics and classical literature. They live in an isolated house where Jack presides over a wild and ungoverned existence when his father is not there. As their father becomes more irrational Josie and Jack are forced to leave the family home and go to London. At first the fearful and admiring Josie follows her brother unquestioningly. However, as Jack's own behaviour becomes volatile and threatening, Josie finds herself struggling - should she stand by her brother, or make a break to free herself from his increasingly dangerous machinations. When they become involved with Lily a rich society girl, Josie understands what she must do ... and brings the story to a shocking climax.
