Il quinto episodio della serie L'Accademia dei Vampiri. Dopo un lungo e straziante viaggio nel luogo di nascita di Dimitri in Siberia, Rose Hathaway è finalmente tornata dalla sua migliore amica, Lissa. Il diploma è vicino, e le ragazze non vedono l'ora che inizi la loro vita reale al di là dei cancelli dell'Accademia. Rose soffre ancora per Dimitri: sa che lui è la fuori, da qualche parte. Non è riuscita a ucciderlo quando ne ha avuto l'occasione e ora le sue peggiori paure stanno per diventare realtà: Dimitri ha assaggiato il suo sangue e le sta dando la caccia. Non si darà pace fino a quando non saranno uniti per sempre.

St Vladimir’s Academy isn’t just any boarding school - hidden away, it’s a place where vampires are educated in the ways of magic and half-human teens train to protect them. Rose Hathaway is a Dhampir, a bodyguard for her best friend Lissa, a Moroi Vampire Princess. They’ve been on the run, but now they’re being dragged back to St Vladimir’s where the girls must survive a world of forbidden romances, a ruthless social scene and terrifying night time rituals. But most of all, staying alive.

Julian Laurent is not like other vampires. He is yet to receive his racial mark from the Lord of Immortals and as a result, his time studying at the Damned Academy will not be easy. Not only will he have to deal with the scorn of the other vampires, angels, demons and half-bloods at the university, but he will also have to work things out with Mia, an ex-girlfriend he can’t even remember. Julian thinks he knows the full extent of his problems but he soon realizes that there is much more at stake. The subverts are hunting him and want to kill him, and there is a dangerous power growing inside him — the likes of which no one should have. Thanks to another vampire, Ray, he will soon discover what the racial mark really is: a tool used by the Immortal Lord Blake Night to keep the rest of the immortals under his power. Freeing the other students from the influence of the mark will not be at all easy, particularly since Julian feels that he is linked to Blake by some kind of invisible thread. The reality is worse than he could possibly imagine.

The final installment in Richelle Mead’s sweeping, enthralling Glittering Court series answers the trilogy’s biggest question: what is the secret that drives Tamsin to win at all costs? Tamsin Wright is unstoppable. She must become the Glittering Court’s diamond: the girl with the highest test scores, the most glamorous wardrobe, and the greatest opportunities to match with an elite suitor in the New World. Training alongside other girls in the Glittering Court, Tamsin immerses herself completely in lessons about etiquette, history, and music—everything a high-society wife would need to know. Once she’s married, she’ll be able to afford a better life for her family, so the sacrifice is worth it if she can be the best. When her friendship with Mira and Adelaide, her roommates at the Glittering Court, threatens her status as the top-ranked prospect, she does the only thing she knows will keep her on track: she cuts them out of her life. But when her voyage across the sea goes off course, Tamsin must use her unrelenting grit and determination to survive the harsh winter far north of her intended destination in hopes of making it back to the Glittering Court in time to secure a proposal—and a comfortable future for her family. Experiencing new cultures and beliefs for the first time, Tamsin realizes that her careful studies haven’t prepared her for everything, and with new alliances formed with roguish tradesman Jago Robinson and good-natured minister Gideon Stewart, Tamsin’s heart begins to be pulled in different directions. But she can’t let her brewing attraction get in the way of her ultimate goal: protecting the secret she holds closest to her heart, the one that would unravel everything she’s worked for if it’s uncovered.

Rose loves Dimitri, Dimitri might love Tasha, and Mason would die to be with Rose... It’s winter break at St. Vladimir’s, but Rose is feeling anything but festive. A massive Strigoi attack has put the school on high alert, and now the Academy’s crawling with Guardians—including Rose’s hard-hitting mother, Janine Hathaway. And if handto- hand combat with her mom wasn’t bad enough, Rose’s tutor Dimitri has his eye on someone else, her friend Mason’s got a huge crush on her, and Rose keeps getting stuck in Lissa’s head while she’s making out with her boyfriend, Christian! The Strigoi are closing in, and the Academy’s not taking any risks.... This year, St. Vlad’s annual holiday ski trip is mandatory. But the glittering winter landscape and the posh Idaho resort only create the illusion of safety. When three friends run away in an offensive move against the deadly Strigoi, Rose must join forces with Christian to rescue them. But heroism rarely comes without a price...

In a constantly interconnected world communication takes place beyond territorial boundaries, in networks where English works as a lingua franca. The volume explores how ELF is employed in internationally-oriented personal blogs; findings show how bloggers deploy an array of resources to their expressive and interactional aims, combining global and local communicative practices. Implications of findings in ELF and ELT terms are also discussed.

This book analyses an important phase in the interlingual dubbing process of audiovisual productions: the elaboration of target language scripts for the recording studios. Written by a practitioner in the industry who is also an academic and trainer, it provides practical know-how and guidelines while adopting a scholarly, structural and methodical approach. Supported by an exemplified, analytical and theoretical framework, it is non-language specific and discusses strategies and tricks of the trade. Divided into three parts, the book provides a descriptive, practical and analytical approach to dubbing and dialogue writing. The author analyses scripts drawn from her own professional practice, including initial drafts that illustrate the various transformations of a text throughout the rewriting process. She also offers a 'backstage' perspective, from first-hand experience in recording sessions that enabled knowledge of text manipulation, studio jargon, and the dubbing post production process. This publication will provide a valuable resource for novice dubbing translators and dialogue writers, while offering practitioner insights to scholars and researchers in the field of Audiovisual Translation, Film and Media Studies.
