Lagom: The Swedish Secret of Living Well is chock-full of insights about how to live a more balanced life. The author explains this Swedish cultural concept and how it plays out in society in ways both good and bad.

[Lagom: The Swedish Secret of Living Well eBook: Åkerström ...](#)

Lagom: The Swedish Secret of Living Well is a solid book and a great read. The book not only gives readers an insight into Swedish life and culture but the added bonus is that Lola Akinmade Åkerström is able to present both viewpoints through her lived experiences inside and outside Sweden. The author not only hypes the benefits of lagom, she also applies a critical eye towards it by highlighting its drawbacks - after all, everything in moderation, right?

psyche and is the reason why Sweden is one of the happiest countries in the world with a healthy work-life balance and high standards of living.

Lagom: The Swedish Secret of Living Well eBook: Åkerström ...

Lagom, the secret of Swedish happiness which is a trend in interior design Reducing the environmental impact or banking on order and balance as formulas for feeling better are some of the key factors of the 'lagom' philosophy. The PORCELANOSA Group is committed to decorative moderation with its quality designs for architecture and interior design.

Lagom, the secret of Swedish happiness which is a trend in ...

Lagom is one of those concepts that is extremely difficult to explain to non-Swedes. There's a Swedish proverb that says "The right amount is best," and that is very much what Lagom is all about. In brief, it's the underpinning of not just the Swedish psyche, but the entire society and promotes a certain level of balance in all things.

ETW #66 Understanding Lagom: Swedish Secret of Living Well ...

Now that the second book is read, it's about time to also write a review about "Lagom, the Swedish secret of living well" by Lola A. Åkerström too. Loyal readers know that I'm into lagom. I believe lagom is the key to a life in balance. I read both books and it was almost inevitable to start comparing both books while reading.
