The mandolin is used in nearly every type of music today so it is a great choice of instrument whether you like jazz, folk, classical, country, bluegrass, rock, blues, Irish or many kinds of world music. Much of this music is available only in standard notation so that is where this book starts: TAB comes later. By learning the basic information presented in this volume, you will be prepared to approach any style. This book introduces the student to the instrument, explaining basics such as tuning and how to hold the instrument, the student is introduced to notes on each string and various left- and right-hand techniques. Chords, scales and arpeggios are introduced and students begin applying their new skills to real world repertoire in a variety of keys. 64 pages with audio.

If Students Need to Know It, It's in This Book This book develops the math skills of 10th graders. It fosters skill mastery that helps them succeed both in school and on the California High School Exit Exam. Why The Princeton Review? We have more than 20 years of experience helping students master the skills needed to excel on standardized tests. Each year we help more than 2 million students score higher and earn better grades. We Know the California High School Exit Exam (CAHSEE) Our experts at The Princeton Review have analyzed the CAHSEE, and this book provides the most up-to-date, thoroughly researched practice possible. We break down the test into its individual skills to familiarize students with the test's structure while increasing their overall skill level. We Get Results We know what it takes to succeed in the classroom and on tests. This book includes strategies that are proven to improve student performance. We provide Content review based on California standards and objectives Detailed lessons, complete with skill-specific activities - 2 complete practice CAHSEE mathematics tests For more information about our other test-preparation products for school and home, call 1-800-Review-2 or visit k12.princetonreview.com.
