"Mamma, perch é devo andare a scuola?" Noi stiamo combattendo contro una "serena resistenza" alla scuola da parte di Momo. Le maestre ci dicono che a scuola è tranquillo e anche a casa non dà cenni di disagio, ma il momento del distacco la mattina è spesso drammatico e nei discorsi emerge questa sua resistenza.

In many European languages the National Standard Variety is converging with spoken, informal, and socially marked varieties. In Italian this process is giving rise to a new standard variety called Neo-

File Type PDF Mamma Perch Devo Andare A Nanna

standard Italian, which partly consists of regional features. This book contributes to current research on standardization in Europe by offering a comprehensive overview of the re-standardization dynamics in Italian. Each chapter investigates a specific dynamic shaping the emergence of Neo-standard Italian and Regional Standard Varieties, such as the acceptance of previously non-standard features, the reception of Old Italian features excluded from the standard variety, the changing standard language ideology, the retention of features from Italo-Romance dialects, the standardization of patterns borrowed from English, and the developmental tendencies of standard Italian in Switzerland. The contributions investigate phonetic/phonological, prosodic, morphosyntactic, and lexical phenomena, addressed by several empirical methodologies and theoretical vantage points. This work is of interest to scholars and students working on language variation and change, especially those focusing on standard languages and standardization dynamics.

In this book, Sarah Rolfe Prodan examines the spiritual poetry of Michelangelo in light of three contexts: the Catholic Reformation movement, Renaissance Augustinianism, and the tradition of Italian religious devotion. Prodan combines a literary, historical, and biographical approach to analyze the mystical constructs and conceits in Michelangelo's poems, thereby deepening our understanding of the artist's spiritual life in the context of Catholic Reform in the mid-sixteenth century. Prodan also demonstrates how Michelangelo's poetry is part of an Augustinian tradition that emphasizes mystical and moral evolution of the self. Examining such elements of early modern devotion as prayer, lauda singing, and the contemplation of religious images, Prodan provides a unique perspective on the subtleties of Michelangelo's approach to life and to art. Throughout, Prodan argues that Michelangelo's art can be more deeply understood when considered together with his poetry, which points to a spirituality that
