Timely, relevant, and dynamic, this reader-friendly text shows students howmarketing concepts are implemented, and what they really mean in the marketplace. With this book, the authors show how marketing can come alive when practiced by real people who make real choices. The 3rd European Edition presents more information than ever on the core issues every marketer needs to know, including value, analytics and metrics, and ethical and sustainable marketing. And with new examples and assessments, the text helps students actively learn and retain chapter content, so they know what's happening in the world of marketing today. This edition features a large number of new cases from prominent marketing academics and professionals from around Europe.

Whether we're buying a pair of jeans, ordering a cup of coffee, selecting a long-distance carrier, applying to college, choosing a doctor, or setting up a 401(k), everyday decisions -- both big and small -- have become increasingly complex due to the overwhelming abundance of choice with which we are presented. As Americans, we assume that more choice means better options and greater satisfaction. But beware of excessive choice: choice overload can make you question the decisions you make before you even make them, it can set you up for unrealistically high expectations, and it can make you blame yourself for any and all failures. In the long run, this can lead to decision-making paralysis, anxiety, and perpetual stress. And, in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless, too much choice can lead to clinical depression. In The Paradox of Choice, Barry Schwartz explains at what point choice -- the hallmark of individual freedom and self-determination that we so cherish -- becomes detrimental to our psychological and emotional well-being. In accessible, engaging, and anecdotal prose, Schwartz shows how the dramatic explosion in choice -- from the mundane to the profound challenges of balancing career, family, and individual needs -- has paradoxically become a problem instead of a solution. Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse. By synthesizing current research in the social sciences, Schwartz makes the counter intuitive case that eliminating choices can greatly reduce the stress, anxiety, and busyness of our lives. He offers eleven practical steps on how to limit choices to a manageable number, have the discipline to focus on those that are important and ignore the rest, and ultimately derive greater satisfaction from the choices you have to make.

\*\*Winner of the TAA 2017 Textbook Excellence Award\*\* "Social Media Marketing deserves special kudos for its courage in tackling the new frontier of social media marketing. This textbook challenges its readers to grapple with the daunting task of understanding rapidly evolving social media and its users."-TAA Judges Panel Social Media Marketing was the first textbook to cover this vital subject. It shows how social media fits into and complements the marketer's toolbox. The book melds essential theory with practical application as it covers core skills such as strategic planning for social media applications, incorporating these platforms into the brand's marketing communications executions, and harnessing social media data to yield customer insights. The authors outline the "Four Zones" of social media that marketers can use to achieve their strategic objectives. These include: 1. Community (e.g. Instagram) 2. Publishing (e.g. Tumblr) 3. Entertainment (e.g. Candy Crush Saga) 4. Commerce (e.g. Groupon) This Second Edition contains new examples, industry developments and academic research to help students remain current in their marketing studies, as well as a new and improved user-friendly layout to make the text easy to navigate. The textbook also provides a free companion website that offers valuable additional resources for both instructors and students. Visit: study.sagepub.com/smm. Readers of the book are also invited to join the authors and others online by using the hashtag: #smm

Real People, Real Choices. Marketing: Real People, Real Choices is the only text on the market that walks students through the decision-making process real marketers face on a daily basis.
