Master of the Five Magics is a fantasy novel by Lyndon Hardy, first published in 1980. It is the first of a trilogy set in the same world; the second book is Secret of the Sixth Magic and the third Riddle of the Seven Realms. The books feature different characters, but each explores the same system of magic in successively more detail. It may be an early example of hard fantasy.

Master of the Five Magics - Wikipedia

The Master of Five Magics (1980) by Lyndon Hardy sits at that annoying place between being a good and a bad book. The book itself tells the story of Alodar, who desperate wants to be a suitor to the Queen, so that he can restore the fortunes of his once noble heritage. In doing so, he tries each magic.

Master of the Five Magics (Magics, #1) by Lyndon Hardy

Master of the Five Magics is a fantastic discussion of how magic works - as the main character progresses through the five paths of magic, the reader learns the natural laws of magic that govern spells. These laws and their application are the meat of this book; roleplayers interested in designing their own magic systems could learn a lot from it. Others interested in magic for its own sake ...
