better researchers and writers. -Tom Romano, author of *Blending Genre, Altering Style* Have you heard? The multigenre research project is growing in popularity with both students and teachers. That's because it's such a powerful way to engage students in reading, writing, and critical analysis across the curriculum. Despite all this, you might not know exactly how to take advantage of this exciting new approach to research writing, what to expect a multigenre classroom to look like, or how to assess students' projects. With *A Teacher's Guide to the*
