Since it was first published in 1998, Minna no Nihongo has been a long-selling and classic textbook for both teachers and learners of Japanese alike. Now the series has been reborn in this second edition, with the vocabulary and conversational settings being revised. Illustrations for use in reviewing have also been increased.

This is especially true for Minna no Nihongo, whose main textbook only features Japanese (the translation comes in a separate workbook). Second, even though some activities are designed to be done in a class environment, those books can also be used for self-study. Third, both series will go through the levels N5, N4, and N3 of the JLPT.
