The Mitsubishi Triton GSR is the new flagship of the brand's ute range. Although the GSR badge was previously applied to a rally-bred, high-performance, turbocharged all-wheel-drive Lancer sedan in the 1990s, more recently it has been used on the Mitsubishi ASX to distinguish the top model grade of the brand's small SUV.

Business and IT organizations are currently embracing new strategically sound concepts in order to be more customer-centric, competitive, and cognitive in their daily operations. While useful, the various software tools, pioneering technologies, as well as their unique contributions largely go unused due to the lack of information provided on their special characteristics. Novel Practices and Trends in Grid and Cloud Computing is a collection of innovative research on the key concerns of cloud computing and how they are being addressed, as well as the various technologies and tools empowering cloud theory to be participative, penetrative, pervasive, and persuasive. While highlighting topics including cyber security, smart technology, and artificial intelligence, this book is ideally designed for students, researchers, and business managers on the lookout for innovative IT solutions for all the business automation software and improvisations of computational technologies.

Adams was sent to prison. Following his release he hides behind a new persona. He then meets Desmond Baxter, whom he recognises as the judge who sentenced him. But Baxter is not his real name. Why is he also hiding his identity? After many twists and turns Margaret Yorke presents the reader with a wholly unexpected outcome.

This is a maintenance and repair manual for the DIY mechanic. The book covers the Mitsubishi Pajero, 1997-2009 models.

Consumers can be overwhelmed by the myriad wireless options available. This book outlines the six steps of shopping for a wireless service. It then provides a miniguide with reviews of the wireless carriers and options available. It is the only book that is both a comprehensive guide and a source for answers to all of the consumer's questions.

5x8 blank college ruled journal with 150 pages.

Provides information on the truck and specialty vehicles business, including: automotive industry trends and market research; mergers, acquisitions, globalization; automobile manufacturers; truck makers; makers of specialty vehicles such as RVs; automobile loans, insurance and other financial services; dealerships; and, components manufacturers.
