More Mouse Tales: A Closer Peek Backstage at Disneyland ...

I had already read More Mouse Tales: A Closer Peak Backstage At Disneyland, so I had an idea about what to expect. I liked Mouse Tales because it gives you the behind-the-scenes of the beginning of Disneyland (i.e. Disney's idea of the park, the problems with opening day, etc.) up through the late 20th century (I think the book was published in '94).

More Mouse Tales, a closer peek backstage
at Disneyland, is a humorous book as well as
and informative one. It tells the stories that
you never get to hear inside the park. This
book is fun to read during most of it, but it
also has it's dark periods, in which it
contains the story of what really happened in
the Columbia incident that led to the death
of a Disneyland guest.

A revealing glimpse backstage at Disneyland examines its development operations while revealing stories of mischievous employees and devious guests

Offers a look at the creation and operation of the world's most popular vacation destination, revealing how Walt Disney's City of Tomorrow evolved into a sprawling resort where, despite extraordinary efforts, everything doesn't always go according to plan.

Offers a chronologically arranged look at the thirty animated Disney films, as well as the development and growth of the Disney industry and theme parks

Read one Cast Member's stories of backstage areas, fights, fires, private parties, orientation, cast events, cast romance, pranks, stupid guest tricks, mishaps, accidents, helping to create the Haunted Mansion Holiday, and working on September 11, 2001. But this is no mere listing of things that go wrong at Disneyland. For the first time, readers can experience what it's like to really work at Disneyland, from the mundane to the extravagant. The book is aimed primarily at current and former Cast Members, who will recognize so much of their experience captured in these pages. Readers who have worked at the park will be entranced all over again by the magic of working in Walt Disney's park. It's not an experience one soon forgets, and readers will find themselves inevitably drawn in as well.

Rituals mark significant moments in our

Get Free More Mouse Tales A Closer Peek Backstage

lives perhaps none more significant than moments of lightheartedness, joy, and play. The rituals that bond humanity create our most transcendent experiences and meaningful memories. Rituals of play are among the most sacred of any of the rites in which humanity may engage. Although we may fail to recognize rituals of play, they are always present in culture, providing a kind of psychological release for their participants, child and adult alike. Ritual is central to storytelling. Story and practice are symbiotic. Their relationship reflects the vitality of the soul. Disneyland is an example of the kind of container necessary for the construction of rituals of play. This work explores the original Disney theme park in Anaheim as a temple cult. It challenges the disciplines of mythological studies, religious studies, film studies, and depth psychology to broaden traditional definitions of the kind of cultural apparatus that constitute temple

At Disneyland culture and ritual. It does so by suggesting that Hollywoods entertainment industry has developed a platform for mythic ritual. After setting the ritualized "stage", this book turns to the practices in Disneyland proper, analyzing the patrons traditions within the framework of the park and beyond. It explores Disneylands spectacles, through selected shows and parades, and concludes with an exploration of the parks participation in ritual renewal.

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal – winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving

girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

An unauthorized look backstage at the world's first and most famous theme park, fully updated and greatly expanded to commemorate Disneyland's fiftieth anniversary, also includes a 60-minute audio CD, "A Walk in the Park: A Guided Tour of Disneyland in 1955."

A propulsive and “entertaining” (The Wall Street Journal) history chronicling the conception and creation of the iconic Disneyland theme park, as told like never

Get Free More Mouse Tales A Closer Peek Backstage

before by popular historian Richard Snow. One day in the early 1950s, Walt Disney stood looking over 240 acres of farmland in Anaheim, California, and imagined building a park where people “ could live among Mickey Mouse and Snow White in a world still powered by steam and fire for a day or a week or (if the visitor is slightly mad) forever. ” Despite his wealth and fame, exactly no one wanted Disney to build such a park. Not his brother Roy, who ran the company ’ s finances; not the bankers; and not his wife, Lillian. Amusement parks at that time, such as Coney Island, were a generally despised business, sagging and sordid remnants of bygone days. Disney was told that he would only be heading toward financial ruin. But Walt persevered, initially financing the park against his own life insurance policy and later with sponsorship from ABC and the sale of thousands and thousands of Davy Crockett coonskin caps.

At Disneyland

Disney assembled a talented team of engineers, architects, artists, animators, landscapers, and even a retired admiral to transform his ideas into a soaring yet soothing wonderland of a park. The catch was that they had only a year and a day in which to build it. On July 17, 1955, Disneyland opened its gates...and the first day was a disaster. Disney was nearly suicidal with grief that he had failed on a grand scale. But the curious masses kept coming, and the rest is entertainment history. Eight hundred million visitors have flocked to the park since then. In Disney ' s Land, “ Snow brings a historian ' s eye and a child ' s delight, not to mention superb writing, to the telling of this fascinating narrative ” (Ken Burns) that “ will entertain Disneyphiles and readers of popular American history ” (Publishers Weekly).

What is it like to be the eyes and ears of the institution known as "The Happiest Place on Earth?" How does it really feel to work day in and day out leading part of the world famous Disneyland Custodial Team? Just how do they keep such a busy place so clean? Find the answers to these questions and more as secrets are revealed in this unauthorized, honest, and affectionate memoir from insiders who struggled to keep guest happy, tame wild new cast members, and keep the original Disneyland clean through a time of tremendous change, growth, and controversy for the Resort. You'll discover that cleaning up is just a part of the job as you experience heartwarming triumphs, heartbreaking tragedies, and hearty laughs along with the people who lived them.
