## Motivating

Motivating kids to learn for learning's sake isn't easy, which is why teachers often rely on external motivators.

These can take many forms, like contests, prizes, or parties. Even grades are a form of external motivation; a student who has earned an A on an assignment is typically more thrilled by the grade itself than the

## Motivating

learners to achieve their potential at school, motivation and engagement play a large role in students'

interest and enjoyment of school (Martin, 2006).

Understandably, both also play huge roles in academic achievement (Martin, 2001; Martin & Marsh, 2003).

Encouraging Positive Student Engagement and
