Not often I review a book I've only half finished, but my friend lent me the first one and I just have to say that while it helps to have context from Mad, Fat Diary, the Madder, Fatter Diary is the funnier and sadder of the two. Inspired a TV show which is a lot better than it sounds, although it's set later on in the 90s and reimagined from the content of the books' events which take place ...
