Oil On Water, by Helon Habila, is a novel that takes in Nigeria where oil has become the main concern. The oil companies are buying up villages and destroying the environment. That's when the militant group starts fighting back, and one of the ways they do so, is by kidnapping important people and family members of the oil company.

Daryl Paranada May 16, 2011 The following is an excerpt from Oil on Water: A Novel. Listen to our interview with author Helon Habila here. 1.

Excerpt: Oil on Water - Marketplace
As the toll of damage caused by the oil spill in the Gulf of Mexico continues to be assessed, Helon Habila's latest novel, Oil on Water, is both timely and compelling.

Oil on Water by Helon Habila: review
Pollution of the Niger Delta waters and land through environmental degradation is only the most obvious kind that the novel depicts; what the author makes us realise is the human corruption of greed, irresponsibility and wanton violence that precedes the pollution of river waters and land — of which the oil-smudged natural scenery is merely the manifestation.

Oil on Water - Kindle edition by Habila, Helon. Literature ...
Abstract. Membrane filtration and absorption strategies based on superwetting surfaces for oil\water separation have regained tremendous attention due to their being low cost, highly efficient and environmentally friendly. Besides the usual superhydrophobic, superhydrophilic\underwater superoleophobic and dual superlyophobic surfaces, very novel and unprecedented surfaces with special extreme wetting behavior have been widely used in oil\water separation.

Designing novel superwetting surfaces for high-efficiency ...
Helon Habila's new novel, Oil on Water is a confidently crafted and absorbing, in parts totally gripping, chronicle of human ambitions, tragedies and failures, but also of love, friendship and perseverance of the human spirit.

Oil on Water (by Helon Habila) - Africa Book Club
His second novel, Measuring Time, published in 2007, was nominated for the Hurston-Wright Legacy Award, the IMPAC Prize, and in 2008 won the Virginia Library Foundation Prize for fiction. His third novel, Oil on Water (2010), which deals with environmental pollution in the oil-rich Nigerian Delta, received generally positive review coverage.

Helon Habila - Wikipedia
Oil on Water by Helon Habila The book opens with two local journalists on a rather dangerous trip. Zaq, old-timer and cynic but still has the skills to seek out a good story and apprentice Rufus. A British oil engineer's wife has gone missing, believed kidnapped and the two journalists are following her trail.

!The new generation of twenty-first-century African writers have now come of age. Without a doubt Habila is one of the best.!!Emmanuel Dongala In the oil-rich and environmentally devastated Nigerian Delta, the wife of a British oil executive has been kidnapped. Two journalists!a young upstart, Rufus, and a once-great, now disillusioned veteran, Zaq!are sent to find her. In a story rich with atmosphere and taut with suspense, Oil on Water explores the conflict between idealism and cynical disillusionment in a journey full of danger and unintended consequences. As Rufus and Zaq navigate polluted rivers flanked by exploded and dormant oil wells, in search of !the white woman,! they must contend with the brutality of both government soldiers and militants. Assailed by irresolvable versions of the !truth! about the woman's disappearance, dependent on the kindness of strangers of unknowable loyalties, their journalistic objectivity will prove unsustainable, but other values might yet salvage their human dignity.

'A lean, evocative novel - part thriller, part meditation on the deadly cost of the region's oil politics. A classic coming-of-age narrative' Daily Mail From the desks of Nigeria's newsrooms, two journalists are recruited to find the kidnapped wife of a British oil engineer. Zaq, an infamous and ageing hack, knows the score, but Rufus, who is keen, young and eager to get noticed, has no idea what he's let himself in for. Journeying into the oil-rich regions of the Niger Delta, where militants and corporations rule, and life is cheap but death even cheaper, Rufus uncovers a world far darker and more corrupt than he ever imagined. 'Habila's writing has that combination of elegance and rattling-good-yarn that we associate with Conrad and Graham Greene. Terrific' The Times 'Masterly. Draws on the tradition of the classic detective novel but also operates on a deeper, metaphorical and philosophical level. Habila has a filmic ability to etch scenes on the imagination' Independent 'A strange, almost hallucinatory plunge into the dangerous world of the Niger Delta' Metro 'Lays bare the real-life tragedy of the Niger delta, in which petrodollars warp human relationships as surely as leaking crude poisons birds and fish . . . powerful, accomplished' Observer 'Reads like a post-colonial riff on Conrad's Heart of Darkness' Financial Times

From the desks of Nigeria's newsrooms, two journalists are recruited to find the kidnapped wife of a British oil engineer. Zaq, an infamous media hack, knows what's in store, but Rufus, a keen young journalist eager to get himself noticed, has no idea what he's let himself in for. Journeying into the oil-rich regions of South Africa, where militants rule and the currency dealt in is the lives of hostages, Rufus soon finds himself acting as intermediary between editor, husband, captive and soldier. As he follows the trail of the missing woman, the love for the 'story' becomes about much more than just uncovering her whereabouts, and instead becomes a mission to seek out and expose the truth. In a cruel twist of fate, Rufus finds himself taking on Zaq's role much more literally than he ever anticipated, and in the midst of a seemingly endless, harrowing war, he learns that truth can often be a bitter pill to swallow . . .

Offers a look at the changing attitudes of Hindi women during Ghandhi's rise to power in India.

Awaken one...awaken them all.Insonmiac Piper Laurel focuses on the simple things, the feel-good things. She likes her coffee black, her wine cheap, and her men gone by morning. But when her last living relative dies, she must confront the feel-bad things. She's the last Laurel, she's almost thirty, and she's completely alone.When she returns to her sleepy seaside hometown, her ex is still as yummy as ever, and a familiar-seeming stranger is also there to tug at her heartstrings. But a love triangle isn't the only thing waiting for her. The immortal Anik has spent centuries plotting to claim the last Laurel--and a lot of innocent souls in the bargain. To survive Anik and the Realm Wars, Piper must forget her version of reality and awaken to her destiny as a Seekin, Guardian of Souls. With two men vying for her heart and hellhounds on her heels, Piper must decide who she trusts and who she loves while embracing her destiny with her eyes wide open.

The Author's Book Journal is a must have for anyone writing a book or a novel. It easily lets you keep track of events and characters in your chapters. You also have some extra pages at the back for making notes on ideas for your next book. Keep all your book information in one handy place. Journal size 7x10 inches.

It had seemed so simple, even fun, when they explained it: New York needed non-satellite-based relay towers. Commco sent me to find towns along the needed pathway, to offer to restore some of the boons of civilization in return for an agreement to build, power and guard the towers. After all, it had only been fifty years. I would never have believed that the countryside would have turned barbaric so fast. Thus begins Martin Barrister's journey through an unfamiliar landscape, where his training and skills are of little help, and only quick wits and creativity will allow him to survive. When his job turns out to be a ruse, and he becomes bait in a dispute he can barely fathom, Martin discovers what loyalty is worth. And what civilization is - and isn't - comprised of.

Essential Oils 30 Anti-Aging Essential Oil Blends to Keep Your Skin Smooth and Youthful! In the world today many people are turning towards more natural treatments and aids to help them treat their ailments many are turning to using therapeutic essential oils. Essential oils will not only help with what ails you but they are also great for fighting against the signs of aging too. The great thing about essential oils is that they are not just good at helping to deal with one problem but they can help in treating many different things. In this book we will take a look at essential oils and what they are all about and how they can help us to fight the war against aging. More and more people are turning to natural treatments such as using essential oil blends to help them fight against what ails them using natural products such as essential oils that do not come with nasty side effects like many synthetic products do. The use of essential oils is certainly gaining in popularity and is now considered to be one of the leading complementary healthcare approaches. One of the most common ways of using essential oils is in the form of Aromatherapy. Essential oils offer us many health benefits that we are still learning about, one of them is helping us to fight against aging with their anti-aging properties. There is over 100 essential oils to choose from, all of them offer their own health benefits.

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. The Silent Earth Series Book 1 - After the Winter: amazon.com/dp/B00P02FBPM

In the darkness beyond life, something stirs. Now a childless mother must decide how far she will go to protect her dead daughter. Behind the oppressive reality of abuse, depression and suicide, there is light on the edge of the darkness. "The Devourer" is a psychological horror novel that goes beyond the classic paranormal genre.
