Fans of the hit PBS show *The Cat in the Hat Knows a Lot About That!* will be delighted to see the Cat knows as much about history and civic responsibility as he does about science.

In simple rhyme, the *Cat in the Hat* introduces early readers to the concept and practice of voting—with a focus on the American presidency! Learn the basic principles of democracy, how political parties are formed, why Election Day is held in early N

The school gym is a polling place and Bailey, Ren, David, Meg, Aiden, and Isabella know all about Election Day and voting! Bailey helped her Aunt Julia run for a seat on the city council. Aiden goes with his grandpa to vote. David's brother Jake will be voting for the first time. Meg talks about how years ago, some citizens were not permitted to vote. A perfect picture book for future voters of America, *Today on Election Day* will simultaneously entertain and educate.

V Is for Voting is an ABC book that introduces progressive families to concepts like social justice and civil rights and reminds readers that every vote counts! A is for active participation. B is for building a more equal nation. C is for citizens' rights and our duty. D is for difference, our strength and our beauty. An engaging introduction to the tenets of democracy, *V Is for Voting* is a playful, poetic, and powerful primer about the importance of voting and activism. Featuring Kate Farrell's rhyming text and Caitlin Kuhwald's bold art, plus thoughtful back matter, the book is a gorgeous, and crucial, addition to every young reader's library. It makes the perfect gift for fans of *A Is for Activist*, *Woke Baby*, and *Feminist Baby*.

PEN/John Kenneth Galbraith Award Finalist, Longlisted for the National Book Award Best Books of the Year—Washington Post, Boston Globe, NPR, Bustle, NYPL. From the award-winning, NYT bestselling author of *White Rage*, the startling—and timely—history of voter suppression in America, with a foreword by Senator Dick Durbin, now with a new afterword by the author. In her New York Times bestseller *White Rage*, Carol Anderson laid bare an insidious history of policies that have systematically impeded black progress in America, from 1865 to our combustible present. With *One Person, No Vote*, she chronicles a related history: the rollbacks to African American participation in the vote since the 2013 Supreme Court decision that eviscerated the Voting Rights Act of 1965. Known as the Shelby ruling, this decision effectively allowed districts with a demonstrated history of racial discrimination to change voting requirements without approval from the Department of Justice. Focusing on the aftermath of Shelby, Anderson follows the astonishing story of government-dictated racial discrimination unfolding before our very eyes as more and more states adopt voter suppression laws. In gripping, enlightening detail she explains how voter suppression works, from photo ID requirements to gerrymandering to poll closures. In a powerful new afterword, she examines the repercussions of the 2018 midterm elections. And with vivid characters, she explores the resistance: the organizing, activism, and court battles to restore the basic right to vote to all Americans.

Originally published in 2000, *The Right to Vote* was widely hailed as a magisterial account of the evolution of suffrage from the American Revolution to the end of the twentieth century. In this revised and updated edition, Keyssar carries the story forward, from the disputed presidential contest of 2000 through the 2008 campaign and the election of Barack Obama. *The Right to Vote* is a sweeping reinterpretation of American political history as well as a meditation on the meaning of democracy in contemporary American life.

With the next presidential election upon us, this witty, nonpartisan book will help explain the concept of voting to the youngest readers. *I Voted* explains the concept of choosing, individually, and as a group, from making a simple choice: "Which do you like better, apples or oranges?", to selecting a class pet, to even more complicated decisions, like electing community representatives. You may not always get what you want, but there are strategies to better your odds! Serge Bloch's effortless and charming illustrations paired with Mark Shulman's funny and timely text create a perfect resource for discussing current events with your children. Backmatter includes information about the United States electoral process. Selected for the CBC Champions of Change Showcase A Junior Library Guild Selection!

From campaigns to voting booths, from local elections to national races, this fun and fact-filled book--now in chapter book format!--celebrates the fundamental American idea that "we the people" get to decide who runs the show. Did you know that we have more than ninety thousand state and local governments in the US? Or that Election Day celebrations two hundred years ago featured marching bands and bonfires? How about that George Washington was our only president who ran unopposed? Elections allow adult citizens the chance to choose how our cities, states, and country are run. Even kids who can't vote yet can make their voices heard by helping the candidates they like get votes! Our elections can seem complicated, but at their core they're all about having a say in our own lives and future. In this fun and fact-filled chapter book, readers learn just how important being an active participant in our democracy can be through one simple message- Elections matter, and we can all play our part.

A pod of dolphins (and their porpoise friend, Petey) is in trouble. Their reef no longer provides the food they need to survive. The pod can't figure out what to do until Petey suggests they hold an election to decide. Voting With a Porpoise is a fun, timeless, and beautifully illustrated story that teaches children how elections and voting have the power to solve hard problems. The authors created this book to help change the culture around elections and voting. To that end, 100 percent of the profits for Voting With a Porpoise will be donated to 501(c)(3) non-partisan voting-related causes focused on getting more people of all backgrounds to the polls, such as Rock the Vote, Vote.org, TurboVote, and others.
