This series has a lot to offer and so far it's only 2.5 books along. I started with the second of the Elemental books first and didn't feel that my understanding or my enjoyment suffered. As I read the first, little things came to light or I had small "ahhhh" moments, but for the most part, these books are stand alone.

Born of Water (Elemental Origins, #1) by A.L. Knorr

Description / Buy. Print: The Origin series starts with The Didymus Contingency, the first of Jeremy ' s novels in which readers are introduced to Doctor Tom Greenbaum. Tom ' s wife was a pretty devoted Christian whose beliefs got her killed. The tragedy caused Tom ' s life to spiral.

#1 NEW YORK TIMES BESTSELLER • OPRAH ’ S BOOK CLUB PICK • NATIONAL BOOK AWARD LONGLIST • “ An instant American classic and almost certainly the keynote nonfiction book of the American century thus far. ” —Dwight Garner, The New York Times The Pulitzer Prize — winning, bestselling author of The Warmth of Other Suns examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. NAMED THE #1 NONFICTION BOOK OF THE YEAR BY TIME, ONE OF THE TEN BEST BOOKS OF THE YEAR BY People • The Washington Post • Publishers Weekly AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • O. The Oprah Magazine • NPR • Bloomberg • Christian Science Monitor • New York Post • The New York Public Library • Fortune • Smithsonian Magazine • Marie Claire • Town & Country • Slate • Library Journal • Kirkus Reviews • LibraryReads • PopMatters Winner of the Los Angeles Times Book Prize • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist “ As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not. ” In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people ’ s lives and behavior and the nation ’ s fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball ’ s Satchel Page, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, Caste: The Origins of Our Discontents is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

"Perfect for fans of THRONE OF GLASS!" --Susan Dennard, NYT bestselling author On the day of her Presenting, in front of the entire Byern Court, seventeen-year-old Cyrene Strohm's lifelong plans come to fruition when she's chosen for one of the most prestigious positions in her homeland—an Affiliate to the Queen. Or so she thinks. When Cyrene receives a mysterious letter and an unreadable book, she finds nothing is as it seems. Thrust into a world of dangerous political intrigue and deadly magic, Cyrene's position only grows more treacherous when she finds herself drawn to the one man she can never have... King Edric himself. Cyrene must decide if love is truly worth the price of freedom. The #1 New York Times Bestseller (October 2017) from the author of The Da Vinci Code. Robert Langdon, Harvard professor of symbology, arrives at the ultramodern Guggenheim Museum Bilbao to attend the unveiling of a discovery that “ will change the face of science forever. ” The evening ’ s host is Edmond Kirsch, a forty-year-old billionaire and futurist, and one of Langdon ’ s first students. But the meticulously orchestrated evening suddenly erupts into chaos, and Kirsch ’ s precious discovery teters on the brink of being lost forever. Facing an imminent threat, Langdon is forced to flee. With him is Ambra Vidal, the elegant museum director who worked with Kirsch. They travel to Barcelona on a perilous quest to locate a cryptic password that will unlock Kirsch ’ s secret. Navigating the dark corridors of hidden history and extreme religion, Langdon and Vidal must evade an enemy whose all-knowing power seems to emanate from Spain ’ s Royal Palace. They uncover clues that ultimately bring them face-to-face with Kirsch ’ s shocking discovery...and the breathtaking truth that has long eluded us.

Special Edition Includes Walker's Sketchbook and a Bonus Novella Eighteen year old Myla Lewis is a girl who loves two things: Kicking as and kicking ass. She's not your every day quasi-demon, part-demon and part-human, girl. For the past five years, Myla has lived for the days she gets to fight in Purgatory's arena. When souls want a trial by combat for their right to enter Heaven or Hell, they go up against her, and she hasn't lost a battle yet. But as she starts her senior year at Purgatory High, the arena fights aren't enough to keep her spirits up anymore. When the demons start to act weird, even for demons, and the King of the Demons, Armageddon, shows up at Myla's school, she knows that things are changing and it's not looking good for the quasi-demons. Myla starts to question everything, and doesn't like the answers she finds. What happened seventeen years ago that turned the quasi-demons into slave labor? Why was her mom always so sad? And why won't anyone tell her who her father is? Things heat up when Myla meets Lincoln, the High Prince of the Thrax, a super sexy part-human and part-angel demon hunter. But what's a quasi-demon girl to do when she falls for a demon hunter? It's a good thing that Myla's not afraid of breaking a few rules. With a love worth fighting for, Myla's going to shake up Purgatory. "I'm virtually speechless when it comes to this novel. I have not found an author that I adore the writing style of this much since Jennifer L. Armentrout. The world that this author created was amazing." - Brittanys Book Reviews Ideal for readers who enjoy kick-ass chicks, gamma guys, paranormal romance, urban fantasy and happily ever afters. Collected Works Christina is the author of the bestselling Angelbound series about Heaven, Hell and Purgatory and the angels, demons, dragons, ghouls and humans that call them home, the Beholder series, about a medieval farm girl turned necromancer who needs to save the world, the Fairy Tales of the Magicorum, which takes place in a world like our own but where fairies, shifters and wizards are real, and Dimension Drift, where one sassy teenage girl-slash-scientist plots to save the future from its dystopian fate, Angelbound Hills 5 Duty Bound 1, Angelbound 1.5 Betrothed (Spring 2019) 2. Public History: A Practical Guide explores history in the public sphere and examines the variety of skills that historians require in the practice of public history. It discusses how through various mediums of interpretation and presentation a range of actors, which include museums, archives, government agencies, community history societies and the media and digital media, make history accessible to a wider audience. It provides the reader with an overview of the wider-world application and communication of history beyond the classroom through core case studies for each sector that include ideas for best practice 'in the field'. This book offers an accessible and engaging synopsis of a topic that has not previously been covered. By focusing on an area of study that has changed substantially in the last decade, Public History: A Practical Guide presents a comprehensive outline of the practice of 'public history', and provides ideas for future methodological approaches as well as a reference point for planning professional development in order to gain future employment in these sectors. In the current economic climate, students need to understand the potential use of history beyond university; this book contains the tools and advice needed for them to get one step ahead in terms of knowledge, skills and experience.

This Cambridge History is the most comprehensive survey of the history of the Romance languages ever published in English. It engages with new and original topics that reflect wider-ranging comparative concerns, such as the relation between diachrony and synchrony, morphosyntactic typology, pragmatic change, the structure of written Romance, and lexical stability. Volume 1 is organized around the two key recurrent themes of persistence (structural inheritance and continuity from Latin) and innovation (structural change and loss in Romance). An important and novel aspect of the volume is that it accords persistence in Romance a focus in its own right rather than treating it simply as the background to the study of change. In addition, it explores the patterns of innovation (including loss) at all linguistic levels. The result is a rich structural history which marries together data and theory to produce new perspectives on the structural evolution of the Romance languages.
