~~First year pharmacy past papers~~—The Student Room
Drug calculation questions are a major concern for
most pre-registration pharmacists and are also a
worry for those involved in pre-registration training.
When it is obvious that people are struggling with
what are basic calculations, as part of a test exam or
at their workdesk, one would be right to question their
ability to accurately calculate doses in critical
situations or environments ...

~~Pharmacy First Year Tests Question Papers~~

Too many pharmacy students leave the exam hall far too earlier because they have answered all questions. But you may have rushed and so there may be errors. Review, review, review - and maximize your result. Trust instincts. If, upon reading a question, an answer pops into your head and it happens to be an answer, you are probably correct.
