Ross Jeffries is founder of the worldwide seduction community and the creator of Speed Seduction(R). Since 1988, he's taught thousands of men from every walk of life how to enjoy the success with women they've always wanted, without the 5 B's: bullying, begging, buying, b.s. and booze. Secrets of Speed Seduction Mastery is the result of over a year of teaching and training the members in his elite coaching program. What you will read are the transcripts of his answers to students and instructional video modules, plus the transcripts of the twice a month coaching calls. For more information on great RJ products, events, and consulting, go to: www.seduction.com. Viva La Seducción!

The most respected and authoritative human sexuality college textbook available, Crooks/Baur/Widman's OUR SEXUALITY, 14th Edition has been meticulously revised and updated with the latest research findings and psychosocial developments. It also is the first college text to deliver cutting-edge and in-depth emphasis on the impact of politics on sexuality. Direct yet nonjudgmental, the text covers our sexuality in an accessible, straightforward manner as it explores the similarities of sexual and relationship matters across cross cultural boundaries and sexual orientation lines. With a focus on strengthening readers' self-awareness and sexual intelligence, the text is packed with exciting new research, personally relevant examples and practical information on sexual health. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The inhabitants of a remote estate in Florida's savannah country fall under the spell of a horrible predator who inflames and perverts their sexual desires, leading to a series of bizarre and deadly encounters

UNA SIMUL is a soul searching exercise that challenges all disciplines to go beyond the 'Big Bang' and see it merely as a chanced event within the 'Grand Convergence' that houses a new definiton of eternity's timeless events. The book ends with a Chart depicting this 'Grand Convergence'. The Chart proposes the 'Seven Days of Creation' are in reality from the beginning of pre-time/matter to the end days of post-time/matter, which are the 'essence' of 'UNA SIMUL': "One from the Same". That is a oneness that mankind once understood as an 'essence", lost at the Garden of Eden, and will hopefully regain.

Invitare Compelling, intriguing, and thought-provoking, Invitare is an exception read that will definitely captivate many seekers of truth. Written by Thomas R. Napton, this book shares the concepts formulated by the inquisitive and creative works of Jacques Breen. This piece invokes a sense of awareness about life in the hearts and minds of its readers. Reaching beyond the mundane experiences of humanity, this provocative and insightful read shares a myriad of wisdom through one man's invitation to a new life called Invitare. This story is shared through the life of a brilliant reporter named Rales Tobin who works for the New York Times. With immense journalistic talent, he inherits a huge house, a car and enough funds in exchange for continuing the mission of the late Jacques Breen. Rales is appointed to publish Breen's materials which contain very profound and transcendent truths about life and the awakening of humanity. In the process of rummaging through the series of documents, files and materials that contain compelling insights about the existence of mankind, Rales begins to put together a whole new discovery. Enriched with ideas, this book creatively introduces unique and sublime concepts about life and how God is real in a world of counterfeit dogmas. Engaging, this literary masterpiece sets a creative tone of dialogues that lead to a stimulating realization. Turning the pages of this read is like the gradual undressing of the true meaning of life. Stimulating, moving and riveting, this exceptional read will etch an indelible mark into its reader's subconscious.

* Best-Seller in the Playboy Catalog Now you can make your wildest fantasies come true...Hundreds of sure-fire techniques that will literally have beautiful, sexy women begging for your attention...and who knows what else! Even if you're the shyest, most ordinary-looking guy in the room, warm, willing women will be standing in line to meet you! My 20 years of successful seductions guarantee it! If your lifelong dream is to have sexy women beating a path to your door, then I have good news for you! Now you'll probably find this hard to believe, but learning how to score with one desirable woman after another is easier than you think, as long as you know the secret weapons that drive them wild. What I'm about to tell you are proven and very easy ways for any guy to meet and really get to know any woman! Believe me, when I tell you that this is not theory and it's not just a lot of idle, macho B.S. either! I've been using these techniques for years and loving every encounter. And I'm no hunk, I'm just your normal average run-of-the-mill guy, but no matter where I go I always manage to have my pick of the sweetest, sexiest women anywhere. A Few Techniques I've Learned Over the Years: 1. Confidence-building techniques that will have you off the sidelines and scoring night after night. 2. A fail proof method that is guaranteed to have women begging to meet you. 3. How to break down the resistance of any woman and make her do things she never imagined and love every minute of it. 4. Prime

time locations, where ready and willing single women go to meet men. 5. 14 proven methods to help you overcome your shyness with women and fear of rejection. 6. How to enhance your own sex appeal and actually make women smolder with desire for you. 7. How to recognize distinctive female body language that signals she wants you to pick her up. 8. And much, much more! So, if you'd like to imagine yourself in a room full of hot & sexy single women and having the pick of the lot, then I have the secrets that can make that fantasy come true for you...or any other you might have. No kidding! All of my most powerful (yet easy to use methods are here), including the never before revealed, "Mirror Technique" to seduce women. Nothing, absolutely nothing has been left out. And believe me when I tell you that it is possible for the most drop-dead beautiful single women to find you attractive. Haven't you ever seen average-looking guys with stunning centerfold type women and wondered what their secret was! Well you don't have to wonder anymore, because my book strips away the mystery. You Will Also Learn: 1. Foolproof methods to get her into your apartment, including how to use astrology to seduce her. 2. How to become a commanding force that overwhelms women and places them under your total domination. Instantly! Before they can catch their breath, the game is over. And you have won! 3. Step-by-step procedure on how to seduce women on the dance floor. 4. How to use mental telepathy to make women do anything you mentally command them to do. 5. How to successfully flirt with women. 6. Why you don't have to be rich or good-looking to pick women up. 7. The 13 different types of women you will encounter in nightclubs and which ones to pursue and which ones to not waste your time on. 8. And much, much more! Today the choice is all yours. Either you can sit around waiting for women to approach you...or use the surefire techniques in this book to take control of your love life once and for all. I've designed a personal game plan for you to meet and pick up women that works. The rest is up to you. Free Bonus: "How to Enlarge Your Penis" - Have you ever been embarrassed by the size of your penis? When you order, I'll include my FREE report on how you can have a longer, thicker, harder penis.

In this "crackerjack novel" from the author of *Vigilant*, a band of misfits on a suicide mission face a war-torn planet (Robert J. Sawyer). In the fourth volume of the *League of Peoples* series, Alexander York is one of the High Council's most iron-fisted admirals. When his children, Samantha and Edward, were born, he paid top dollar to have their DNA altered to insure they grew up perfect physical and mental specimens. But when Edward ended up with a faulty brain, his father sentenced him to join the Expendables, a band of misfits and the deformed mandated to explore the most dangerous parts of the galaxy. Accompanying his sister on a mission to Troyen, an anguished planet and home to the Mandasar, Edward finds himself in the middle of a civil war and is ultimately exiled. As violence escalates, Edward struggles to navigate a treacherous path with the assistance of none other than Festina Ramos—the greatest Explorer of all.

Since Dr. Brizendine wrote *The Female Brain* ten years ago, the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men can't remember at all? Why do women tend to form deeper bonds with their female friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine established the first clinic in the country to study and treat women's brain function. In *The Female Brain*, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

Results from world-renowned relationship expert John Gottman's famous Love Lab have proven an incredible truth: Men make or break relationships. Based on 40 years of research, *The Man's Guide to Women* unlocks the mystery of how to attract, satisfy, and succeed with a woman for a lifetime. For the first time ever, there is a science-based answer to the age-old question: What do women really want in a man? Dr. Gottman, author of the New York Times bestseller *The Seven Principles for Making Marriage Work*, and his wife and collaborator, clinical psychologist Julie Schwartz Gottman, PhD, have pored over the research along with bestselling coauthors Douglas Abrams and Rachel Carlton Abrams, MD. Together, they have written this definitive guide for men, providing answers on everything from how to approach a woman and build a connection with her to how to truly satisfy her in bed and know when the relationship is on the right track. *The Man's Guide to Women* is a must-have playbook for how to play—and win—the game of love.
