As a nurse, I feel very strongly about being involved in organizations and politics. We are here to improve patients' quality of life, which is not limited to their inpatient stay and is affected by their environment outside the hospital, including all the policies put forth by local and national government. We must join forces as nurses to promote a better future for our patients—and for our own families!

Nursing and Politics : AJN The American Journal of Nursing

Policy, Politics, & Nursing Practice (PPNP) is a quarterly, peer-reviewed journal that explores the multiple relationships between nursing and health policy. PPNP serves as a major source of data-based study, policy analysis and discussion on timely, relevant policy issues for nurses in a broad variety of roles and settings, and for others who are interested in nursing-related policy issues.

Policy, Politics, & Nursing Practice: SAGE Journals  
By advocating for patient rights, nurses began to shape policy. As nursing struggled to come to

consensus over the issue of woman suffrage, they published a journal, formed coalitions among themselves and with non-nursing groups, and discussed the political ramifications of both sides of the suffrage question.

A Historical Perspective on Policy, Politics, and Nursing ...

As such, nurses have the potential to profoundly influence policy and politics on a global scale. In fact, it is the moral and professional obligation of nurses to be engaged in legislation that impacts their patients. When nurses influence the politics that improve the delivery of healthcare, they are ultimately advocating

for their patients.

The nursing profession's potential impact on policy and ...

The honor society also promotes member participation in policy work across local, regional, and global levels of healthcare. The organization makes its commitment to policy formulation clear on its website: "Since the work of Florence Nightingale, nurses have helped shape public, health and nursing policy. Visionary nurse leaders understood the consequences of the social, political and economic factors on the health and well being of the public.

Policy And Politics In Nursing And Health Care by Diana J ...

Moreover, policy and politics determines nursing itself – past, present and future. It profoundly shapes the practice and workplaces of nurses at local, regional, national and global levels (Salvage & White in press). Most nurses say they just want to get on with their job, and not worry about the macro-level concerns of policy and politics.
