I haven't read any books by Albanian writers before THE FALL OF THE STONE CITY, but I will be reading more of Ismail Kadare. This novel was a wild ride through the Nazi occupation of Albania, one fateful dinner between a doctor and his supposed long-ago university friend, and the brutal communist oppression of Albania in the 1950s.

A book where those students become embroiled in a dark conflict of cult-like obsessions, secrets, and murder. From New York Times bestselling author Meghan March comes a new deliciously dangerous alpha hero in The Fall of Legend, the first book in the utterly addictive Legend trilogy. We come from two different worlds. I’m from the streets. She might as well live in an ivory tower. I made my living with my fists. I doubt she could even throw a punch. Our paths never should have crossed. We never should have met. That doesn’t change the facts. I would sell my soul to taste those red lips. Fight the devil himself to hear her laugh. Burn in hell to have a single night. Scarlett Priest shouldn't even know men like me exist, but sometimes temptation is stronger than will. If this is how I go down, it’ll be worth every second of the fall. The Fall of Legend is the first book in the Legend Trilogy.

One-time-only printing at a special discount price: the acclaimed, bestselling thriller about the only two survivors of a devastating plane crash from Noah Hawley, author of the forthcoming Anthem (GCP, 01/18/22). On a foggy summer night, eleven people--ten privileged residents, one down?on?his?luck painter--depart Martha's Vineyard on a private jet headed for New York. Sixteen minutes later, the unthinkable happens: the plane plunges into the ocean. The only survivors are Scott Burroughs--the painter--and a four?year?old boy, who is now the last remaining member of an immensely wealthy and powerful media mogul's family. With chapters weaving between the aftermath of the crash and the backstories of the passengers and crew members--including a Wall Street titan and his wife, a Texan?born party boy just in from London, a young woman questioning her path in life, and a career pilot--the mystery surrounding the tragedy heightens. As the passengers' intrigues unravel, odd coincidences point to a conspiracy. Was it merely by dumb chance that so many influential people perished? Or was something far more sinister at work? Events soon threaten to spiral out of control in an escalating storm of media outrage and accusations. And while Scott struggles to cope with fame that borders on notoriety, the authorities scramble to salvage the truth from the wreckage. Amid pulse?quickenig suspense, the fragile relationship between Scott and the young boy glows at the heart of this stunning novel, raising questions of fate, human nature, and the inextricable ties that bind us together.

Madeline Usher has been buried alive. The doomed heroine comes to the fore in this eerie reimagining of Edgar Allan Poe's classic short story "The Fall of the House of Usher." Gothic, moody, and suspenseful from beginning to end, The Fall is literary horror for fans of Miss Peregrine's Home for Peculiar Children and Asylum. Madeline awakes in a coffin. And she was put there by her own twin brother. But how did it come to this? In short, non-chronological chapters, Bethany Griffin masterfully spins a haunting and powerful tale of this tragic heroine and the curse on the Usher family. The house itself is alive, and it will never let Madeline escape, driving her to madness just as it has all of her ancestors. But she won't let it have her brother, Roderick. She'll do everything in her power to save him--and try to save herself--even if it means bringing the house down around them. With a sinister, gothic atmosphere and relentless tension to rival Poe himself, Bethany Griffin creates a house of horrors and introduces a whole new point of view on a timeless classic. Kirkus Reviews praised it in a starred review as "A standout take on the classic haunted-house tale replete with surprises around every shadowy corner."

The breathless finale to the New York Times bestselling Rebel of the Sands series will have you on the edge of your seat until the dust from the final battle clears! When gunslinging Amani Al'Hiza escaped her dead-end town, she never imagined she'd join a revolution, let alone lead one. But after the bloodthirsty Sultan of Miraji imprisoned the Rebel Prince Ahmed in the mythical city of Eremot, she doesn't have a choice. Armed with only her revolver, her wits, and her untameable Demdji powers, Amani must rally her skeleton crew of rebels for a rescue mission through the unforgiving desert to a place that, according to maps, doesn't exist. As she watches those she loves most lay their lives on the line against ghouls and enemy soldiers, Amani questions whether she can be the leader they need or if she is leading them all to their deaths.

The first time I met Jax Blackwood things went a little sideways. In my defense, I didn't know he was Jax Blackwood--who expects a legendary rock star to be shopping for groceries? More importantly, a blizzard was coming and he was about to grab the last carton of mint-chocolate chip. Still, I might have walked away, but then he smugly dared me to try and take the coveted ice cream. So I kissed him. And distracted that mint-chip right out of his hands. Okay, it was a dirty move, but desperate times and all that. Besides, I never expected he'd be my new neighbor. An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment. An irresistible neighbor who keeps me up while playing guitar naked--spectacularly naked--in his living room. Clearly, avoidance is key. Except nothing about Jax is easy to ignore--not the way he makes me laugh, or that his particular brand of darkness matches mine, or how one look from him melts me faster than butter under a hot sun. Neither of us believes in love or forever. Yet we're quickly becoming each other's addiction. But we could be more. We could be everything. All we have to do is trust enough to fall
