**Chock full of interviews, essays, and brilliant art collected from the last year’s worth of Rookie Mag, Rookie Yearbook Three is exactly what fans have come to love and expect from Tavi Gevinson and Rookie’s staff and contributors. The notable difference between Yearbook Three and its predecessors is in the development of editor and curator, Tavi, who, over the last year, graduated high school, turned 19, and largely left behind that very specific brand of Rookie-hood that is adolescence ...**

David Dyer's astonishing novel The Midnight Watchis based on the true story of the SS Californian, the ship that sawtheTitanic'sdistress rockets and yet, unfathomably, did nothing. A psychological thriller. Sometimes the smallest of human failings can lead to the greatest of disasters On a wretchedly cold night in the North Atlantic, a steamer stopped in an icefield sees the glow of another ship on the horizon. Just after midnight the first of eight distress rockets is fired. Why did theCalifornian look on while theTitanicsank? As soon as Boston Americanreporter John Steadman lays eyes on the man who stood the midnight watch on the Californian, he knows there's another story lurking behind the official one. Herbert Stone must have seen something, and yet his ship did nothing while the calamity took place. Now Stone, under his captain's orders, must carry his secret in silence, while Steadman is determined to find it out. So begins a strange dance around the truth by these three men. Haunted by the fifteen hundred who went to their deaths in those icy waters, and by the loss of his own baby son years earlier, Steadman must either find redemption in the Titanic's tragedy or lose himself. Based on true events, The Midnight Watchis at once a heart-stopping mystery and a deeply knowing novel - about the frailty of men, the strength of women, the capriciousness of fate and the price of loyalty.

Collects articles, interviews, photographic editorials, and illustrations from the first year of the online magazine.

Rookiemag.com is a website created by and for young women to make the best of the beauty, pain, and awkwardness of being a teenager when it becomes tough to appreciate such things, we have good plain fun and visual pleasure. When you’re sick of having to be happy all the time, we have lots of rants, too. Every school year, we compile the best from the site into a print year book. Behold: Our junior year! Anna manipulates the boys in her life to get what she needs and develops a negative reputation that is further complicated by her friendship with a secretive girl and a boy from a loving family who imparts illuminating lessons about honesty.

Ernest Hemingway embraced adventure and courted glamorous friends while writing articles, novels, and short stories that captivated the world. Hemingway’s personal relationships and experiences influenced the content of his fiction, while the progression of places where the author chose to live and work shaped his style and rituals of writing. Whether revisiting the Italian front in A Farewell to Arms, recounting a Pamplona bull run in The Sun Also Rises, or depicting a Cuban fishing village in The Old Man and the Sea, setting played an important part in Hemingway’s fiction. The author also drew on real people—parents, friends, and fellow writers, among others—to create memorable characters in his short stories and novels. In Influencing Hemingway: The People and Places That Shaped His Life and Work Nancy W. Sindelar introduces the reader to the individuals who played significant roles in Hemingway’s development as both a man and as an artist—as well as the environments that had a profound impact on the author’s life. In words and photos, readers will see images of Hemingway the child, the teenager, and the aspiring author—as well as the troubled legend dealing with paranoia and fear. The book begins with Hemingway’s birth and early influences in Oak Park, Illinois, followed by his first job as a reporter in Kansas City. Sindelar then recounts Hemingway’s experiences and adventures in Italy, France, Spain, Key West, Florida, and Cuba, all of which found their way into his writing. The book concludes with an analysis of the events that preceded the author’s suicide in Idaho and reflects on the influences critics had on his life and work. Though much has been written about the life and work of the Nobel prize-winning author, Influencing Hemingway is the first publication to carefully document—in photographs and letters—the individuals and locales that inspired him. Featuring more than 60 photos, many of which will be new to the general and academic reader, and unguarded statements from personal letters to and from his parents, lovers, wives, children, and friends, this unique biography allows readers to see Hemingway from a new perspective.

Now celebrating its fortieth anniversary, Roy Blount Jr.’s classic account of the 1973 Pittsburgh Steelers—a team on the cusp of once-in-a-generation greatness The Pittsburgh Steelers of the 1970s are mentioned in any conversation about the greatest dynasties in NFL history. A year before Pittsburgh’s first Super Bowl victory launched a decade of domination, Roy Blount Jr. spent a season traveling with the team, recording the ups and downs, both large and small, in the lives of men who would soon reach the pinnacle of success in their sport. He covers everything from the birth of the “Steel Curtain” defense to the unique connection the people of Pittsburgh had with their hard-nosed team. Interspersed with vivid depictions of players like Terry Bradshaw, “Mean” Joe Greene, and Ernie “Fats” Holmes, as well as the team owners, the Rooney clan, About Three Bricks Shy of a Load harks back to a bygone era when offensive linemen could weigh about the same as the backs they blocked for, when the highest-paying team’s highest-paid player—Bradshaw—made \$400,000, and when one team was able to win four Super Bowls in six years—a feat that remains unrivaled today. Uproaiously funny and brilliantly written, About Three Bricks Shy of a Load was named one of the Top 100 Sports Books of All Time by Sports Illustrated.

From 1996 through 2004, Kobe Bryant and Shaquille O’Neal combined-- and collided-- to help bring the Lakers three straight championships and restore the franchise as a powerhouse. From public sniping and sparring, to physical altercations and the repeated threats of trade, it was warfare. The eight years of infighting and hostility were by turns mediated and encouraged by coach Phil Jackson. Pearlman shows how the Shaq-Kobe duo resulted in one of the most enduring, and ever-evolving, teams in NBA history. -- adapted from jacket

A family spends a day at the beach enjoying the water, sand, and sun.

Did you know that 44-year-old Frank Sinatra had an affair with 14-year-old Tuesday Weld? And that Elvis started dating Priscilla when she was 14? The Allure of Nymphets chronicles famous and infamous age-discrepant relationships from Emperor Augustus to Woody Allen and man's fascination with very young women (i.e., nymphets) as shown in literature, films, plays, television, music and the advertising industry.
