Is socialism an outdated ideology today? This VSI provides an overview of socialism's origins, its relationships to communism and social democracy, its different manifestations around the world and throughout history, and its intersections with issues of ethnicity and gender.

## **Socialism: A Very Short Introduction - Very Short ...**

Michael Newman's entry in the A Very Short Introduction series on socialism begins by defining what he describes as the "essence" or "fundamental characteristic" of socialism: "In my view, the most fundamental characteristic of socialism is its commitment to the creation of an egalitarian society" (2).

## **Socialism: A Very Short Introduction by Michael Newman**

Newman's very short introduction has the problem that many of these introductions have in that they must cover very complicated and lengthy terrain in a 100 or so pages. Socialism is duly hard as it is both internally and externally contested as a term, has 200 years of emerging and failing models and critiques, and has probably become even more polarizing in opinions since this book was written.
