Starfish tells Tom and Nic Ray's truly inspirational story of their life before, during and after the illness which claimed Tom's lower arms, legs, and a portion of his face. Heart-breakingly honest and affecting, their story charts the devastating effects of Tom's illness, Nic's heroic struggle to cope and, ultimately, the love and hope that has held their family together in the ensuing years.

Starfish: One Family's Tale of Triumph After Tragedy: Ray ...

Starfish is a 2016 British drama film written and directed by Bill Clark and starring Tom Riley and Joanne Froggatt. The film, based on a true story, follows a family who are thrown into turmoil when the husband contracts sepsis, a brutally damaging illness. Principal photography began on 4 December 2015 in Rutland. It was theatrically released in the United Kingdom on 28 October 2016.

Starfish (film) - Wikipedia

They say that one of the most common reasons we procrastinate is because we see the challenge before us as overwhelming, and that a good way to counter that is to break the big challenge down into smaller pieces and then take those one at a time—like one starfish at a time. And to that one starfish, it can make a world of difference.
