## Schools reopening: Can we really keep teachers and kids safe?

If you're struggling and  
you're not sure if you want  
to live or die, can you,  
just for now hold off making  
this decision and keep  
reading and watching the  
videos for some ideas about  
how to get through. There  
may be things that you - and  
other people - can do to  
make things better.

## Staying Safe

## Get Free Staying Safe On The School Bus

Keep things like your address, phone number, full name, school and date of birth private, and check what people can see in your privacy settings. Remember that people can use small clues like a school logo in a photo to find out a lot about you. Watch out for phishing and scams

### Staying safe online | Childline

School crossing patrol officers teach us all about road safety and local police officers work with us on a range of things including personal and internet safety. Finally school nurses teach our children

## Get Free Staying Safe On The School Bus

about food safety and how to stay healthy. Children are taught about how the school keeps them safe. They are aware of the red and green badge system utilised in school to let people know if visitors are allowed in school unescorted or not.

Staying Safe Online 1) Don't post any personal information online – like your address, email address or mobile number. 2) Think carefully before posting pictures or videos of yourself. Once you've put a picture of yourself online most people can see it and may be able to download it, it's not just yours anymore.
