between prescriptive and emergent views of strategy highlights key debates within the discipline, whilst an emphasis on the practical throughout the book helps you turn theory into practice

Thorough yet concise, *ESSENTIALS OF STRATEGIC MANAGEMENT*, Third Edition, is a brief version of the authors' market-leading text *STRATEGIC MANAGEMENT: AN INTEGRATED APPROACH*. Following the same framework as the larger book, *ESSENTIALS* helps students identify and focus on core concepts in the field in a more succinct, streamlined format. Based on real-world practices and current thinking, the text's presentation of strategic management features an increased emphasis on the business model concept as a way of framing the issues of competitive advantage. Cutting-edge research, new strategic management theory, and a hands-on approach allow students to explore major topics in management, including corporate performance, governance, strategic leadership, technology, and business ethics. In addition, a high-quality case program examines small, medium, and large companies--both domestic and international--so that students gain experience putting chapter concepts into real-world practice in a variety of scenarios.
