A SUMMER TRAINING PROJECT REPORT – SlideShare

The 3-months Summer Internship Program at IILM Institute for Higher Education is a vital part of the 2-year PGDM Course. Since majority of the students come without any prior work experience, the Summer Internship adds worth to their CVs by giving each student immense learning. At IILM, a student can bag an

internship

Summer Internship Report – IILM

The training summary report refers to the idea of a single document that records the different details of training conducted in a fiscal year. The training can be of any field and institution but keeping heir record and reporting it is important. This process helps to keep a record of the different training details, like the number of people trained, the locations were chosen for the process, etc.

Summer training report in civil engineering

As such, you'll start by defining the training program with a cover page that includes the name, location and date of the training. Include the date of the report, the author's name and contact information in a second block of information on the cover page. Depending on the duration of the training, some reports are necessarily longer than others.

How to Write a Training Report | Bizfluent

27+ Training Report Templates – Word, PDF A training report is a processed document that serves as an assessment and evaluation of certain training samples. It is a descriptive, critical, formal, and progressive report that is, in a way, similar to a Progress Report because it aims to monitor and track key training developments and challenges.
