This is the Second Edition of Demons of Aether - Wings of Steel Behind the world as it is known lies the Aether, a shadow of the living realm inhabited not by humans but rather demons and monsters. Souls of the dead, received neither by heaven nor hell, reside in this unforgiving limbo. However, some have managed to break free from this purgatory into the real world, once again setting foot on Earth to do as they please. Some do so to create chaos and bloodshed, others wish to do right and help maintain order and peace. And then there are those who merely wish to exact revenge on the ones that struck them down in life. By any means necessary. Follow the journey of a fallen young man who is reborn as a demon of the Aether. Donned with the name Talon, gifted with angelic wings of steel, and armed with inhuman strength, his quest for revenge will take him through the Aether and into the mortal world as he chases after the one who struck him down. This is his mission in the afterlife, and his beginnings of becoming something more. A hero.

Incarceron is a prison so vast that it contains not only cells and corridors, but metal forests, dilapidated cities, and wilderness. It has been sealed for centuries, and only one man has ever escaped. Finn has always been a prisoner here. Although he has no memory of his childhood, he is sure he came from Outside. His link to the Outside, his chance to break free, is Claudia, the warden's daughter, herself determined to escape an arranged marriage. They are up against impossible odds, but one thing looms above all: Incarceron itself is alive . . .

After a killing for which she feels responsible, sixteen-year-old Ashline Wilde moves cross-country to a remote California boarding school, where she learns that she and others have special gifts that can help them save the world, but evil forces are at work to stop them.

It's been 50 years since the Great Crash and what was once America is now a collection of enclaves, governed on the local level and only loosely tied together by the farce of a federal government. Catawba, one of the largest and most affluent enclaves in the southern states, is relatively stable and maintains a successful business of trade with nearby enclaves, including the one at Charlotte Township. But when a new vein of gold is found beneath the feet of those in Catawba, it's only a matter of time before trouble finds them. Now the future of Catawba may be in the hands of an untried 21-year-old trader named Caleb. And Caleb knows that if his secret were ever to come out, he would never see another dawn.
