This is a story which will make your heart sing - a story for all the family to read together. Young Judy discovers an unexpected package in her grandfather's old study. She has never met her grandfather (Poppy) as he died before she was born, but Judy is the one to unearth the puzzle which Poppy left for his family. To find the treasure which Poppy left, the family must first solve every riddle which he wrote on a beautiful scroll, and carefully wrapped in a rich purple velvet bag. Unless they solve the puzzles, they won't find the treasure. See if you can solve the puzzles before the family does. What has Poppy left them as an inheritance? Have fun with the story and enjoy the Omega Prize at the end.

You are born to win, overcome or reign in this life. However to win you must learn how to win. Life will throw challenges, obstacles, difficulties, and opposition at you. Yet in all that life will throw at you, you can and will emerge victorious if you know what to do to win and do it. God's will for you is to win and that is why you were born a victor, not a victim. You are born to win in life always and in all things. If you practice the laws or principles for living a victorious life, winning will become a habit for you. God the Creator of everything has given us time-tested and infallible principles in His word to help His creation live an all round victorious life. In the book Will to win... and you will, you will learn how to win so that winning becomes a habit for you.
