Teaching Students Hamlet!: A Teacher's Guide to ...

Hamlet may have also feigned madness as part of his scheme against Claudius. Students should provide examples from the text as evidence to support their answers. Because Hamlet was written during the Elizabethan era, its use of language is often challenging for students to comprehend. To provide students with a better understanding of the play, teachers can split the class into five groups, one for each act of the play.

How to Teach Hamlet | Prestwick House

In this lesson, students will discuss the idea of 'taking revenge', and watch a video about Shakespeare's play Hamlet. Students will check their understanding of the plot and characters in the play, and then work together to ask for and give advice to the main character, Hamlet.

Teaching Shakespeare has been a major contribution to the knowledge and expertise of all teachers of Shakespeare from primary upwards for two decades. This full-colour second edition is in a larger format, updated to reflect modern classroom practice. It includes new contributions by leading practitioners from Shakespeare's Globe, the Shakespeare Schools Festival, the Shakespeare Birthplace Trust and the Cambridge School Shakespeare editorial team. Teaching Shakespeare makes explicit the 'Active Shakespeare' principles which underpin Cambridge School Shakespeare and includes activities and advice to help teachers develop their existing good practice, making the learning of Shakespeare valuable and enjoyable for all involved.

Part of Prufrock's new series for the upper level classroom, Advanced Placement Classroom: Hamlet allows teachers to take a fresh approach on one of Shakespeare's most famous plays, by moving beyond basic history and memorization of quotes. Students will study cultural variations of the Hamlet story, recreate the tale's events in a news show format, rewrite scenes using modern-day perspectives, and create their own blogs to discuss the play's relationship to contemporary life. The author also provides easy-to-use discussions of Shakespeare's life and times and the ways Hamlet can be studied from a critical perspective. Prufrock's new line of innovative teaching guides is designed to engage students with creative learning activities that ensure Advanced Placement success. The Teaching Success Guide for the Advanced Placement Classroom series helps teachers motivate students above and beyond the norm by introducing investigative, hands-on activities including debates, role-plays, experiments, projects, and more, all based on Advanced Placement and college-level standards for learning. Grades 7-12

Excerpts of famous scenes with kid-friendly explanatory notes, plus easy activities.

Following Common Core Standards, this lesson plan for William Shakespeare's, "Hamlet" is the perfect solution for teachers trying to get ideas for getting students excited about a book. BookCaps lesson plans cover five days worth of material. It includes a suggested reading schedule, discussion questions, essay topics, homework assignments, and suggested web resources.

Culled from ideas contributed by people attending conferences of the National Council of Teachers of English and by readers of "NOTES Plus" and "IDEAS Plus," the activities contained in this booklet are intended to promote the effective teaching of writing and literature. Teaching strategies offered in the first section of the booklet involve prewriting and writing. They include activities in which students invent stories; use instrumental music to explore mood; write what they know; look for help in writing transitions by using the "National Enquirer"; write friendly letters; and write books in which they are the main characters. In the activities of the second section, which are designed to teach students to read and learn actively, thoughtfully, and critically, students: explore Chaucer's "Canterbury Tales" and the concept of the pilgrimage; use popular music to make a connection with "Romeo and Juliet"; consider peer recommendations for reading motivation; respond to "The Adventures of Huckleberry Finn" by writing about a place where they feel as Huck does on his raft; think about what they value most in preparation for reading and discussing "King Lear"; and use short film clips from different interpretations of "Hamlet" to help them compare the artistic choices of actors and directors. Among the teaching ideas in the third section are a student-centered approach to planning service learning projects; a suggestion for giving student experts center stage in the classroom; a way to use color to help both teacher and students see patterns in students' writing; and a 3-D poster project that gives full rein to students' creative powers. (RS)

The authoritative guide to teaching Shakespeare's Hamlet, Shakespeare Set Free: Teaching Hamlet is an invaluable resource for teachers, students, and Shakespeare fans alike. Hamlet is Shakespeare's most popular and most puzzling play. It follows the form of a "revenge tragedy," in which the hero, Hamlet, seeks vengeance against his father's murderer, his uncle Claudius, now the king of Denmark. Much of its fascination, however, lies in its uncertainties. Among them: What is the Ghost—Hamlet's father demanding justice, a tempting demon, an angelic messenger? Does Hamlet go mad, or merely pretend to? Once he is sure that Claudius is a murderer, why does he not act? Was his mother, Gertrude, unfaithful to her husband or complicit in his murder? Shakespeare Set Free: Teaching Hamlet breaks down the play in easy-to-understand sections and features essays from prominent Shakespeare scholars. This guide is an essential part of any teacher's toolkit.
