It happens all the time: a leader reads a book or goes to a conference and learns great new ideas for their organization. But when they try to implement changes, nothing budges. Why? It's because work cultures are deeply rooted. Paul White knows this, and it's why he wrote *The Vibrant Workplace* to give workplace leaders a thorough understanding of the most common obstacles to change, plus the skills to overcome them. Pairing real-life examples with professional advice and research, White offers a guide to uprooting negativity and cultivating authentic appreciation and resiliency in the workplace. Any workplace can be healthy. It just takes knowledge of the issues and skills to navigate them, which is exactly what this book provides. Readers will be equipped to successfully overhaul their workplace environment and infuse it with authentic appreciation. "

Workplace conflict is inevitable. When it happens, how can you get back on track? Like all relationships, the ones we have at work are subject to stresses—maybe even fractures that can really take a toll on the workplace. Productivity is lost. Time is wasted. Tension mounts.
