The English nanny is an institution. The image of the smartly uniformed, traditional nanny features in many books and films and there is something rather comforting about the idea of a 'no nonsense', nurturing and sensible childcare expert looking after your family. For over a century, Norland Nannies have cared for royal and celebrity families and are the best, most respected nannies in the world. Now their clear advice and straightforward methods - tried and tested on thousands of families - are brought together for the first time. Nanny in a Book is a practical companion to childcare that will help you with: * Setting up your nursery * Sleeping, weaning and potty training * Teaching your child good manners and behaviour * Nursing common ailments from sore tummies to measles * Organising a fabulous birthday party. Full of Nanny's top tips and personal stories, Nanny in a Book will become a trusted guide and a treasured companion - the next best thing to Mary Poppins herself sweeping in on the East wind and turning up on your doorstep.

End the new puppy frustration in your household. Everything you need to train your puppy is in this book. This book is a must read if you: Have a puppy Are getting a puppy Know someone who is getting a puppy Do you want a dog who does as you ask? The younger your puppy is when you begin to train him/her, the better your chances will be of having a confident, well-adjusted, obedient dog. Start training your puppy the very day you bring him/her home. Everything you need to train your puppy is in "The Puppy Nanny's Guide to Training Your Puppy." Easy-to-follow steps to: - accident-free potty training - a puppy who doesn't nip - a puppy who fears nothing and no one - leash walking - come - stay - leave it and so much more. Everything you need to know is in this book. Get started TODAY for a dog you'll be proud to own.

The Best Nanny Handbook covers all aspects of being a nanny. Complete childcare, communicating with parents, salary, taxes, live-in situations and everything you need to know about this job is here. This handbook is a great reference for nannies and excellent source of information for people who are thinking about being a nanny. Every nanny should read it cover to cover and keep it close by.

Supernanny meets The Sneaky Chef: a celebrity nanny's holistic vegan program that gets kids to eat better and live calmer, more connected lives

Hiring a nanny--and getting along with her afterward--may be one of the most important things that parents do, yet many of us approach the whole business with fear and trembling, or at least a lot of questions. Even parents who may manage dozens of employees at work can be at a loss when it comes to dealing with the person who will be looking after their children. Nanny, au pair, caregiver--no matter the term, the thorny issues remain the same: -How do you find someone you like and trust? -Should you invite the nanny to Thanksgiving dinner? -When should you raise her fee--and by how much? -What should you do when the au pair is a flirt? -How do you sort out the laundry and other chores? -Nanny surveillance--should you spy? The Nanny Book provides real, down-to-earth solutions for almost every conceivable issue or problem. Filled with advice gleaned through interviews with families and nannies, this book will turn parents into their own experts. Other books focus almost exclusively on hiring a caregiver. The Nanny Book is the only guide that gives smart, parent-tested solutions to those sticky situations that can make or break the relationship.

A must-have resource for every preschool worker. The Church Nanny's Essentials provides one-on-one personal training with early childhood expert Gigi Schweikert, the Church Nanny. This workbook's unique Bible study lessons will guide leaders and volunteers in preparing their hearts to serve the little ones in their care. A complete training guide offers down-to-earth coaching for creating a joyful and safe place for children. Ready ideas and exercises equip the user with fun learning activities, while reproducible lists, forms, handouts and assessments make preparation simple.

The founder of Gold Parenting Coaching LLC explains how to avoid the most common mistakes parents make with nannies, sharing advice for assessing individual needs and selecting the most compatible caregivers. Original.

- Does your toddler refuse to go to bed at night or keep waking up? - Do you battle over getting into the car seat or push chair? - Is your child fussy about food or refuse to sit down at mealtimes? - Is getting dressed in the mornings a daily ordeal? - Does your child tantrum when things don't go his or her way? TV's trusted nanny Kathryn Mewes, as seen on Channel 4's series The Three Day Nanny, can help you with all these parenting challenges and many others too, so you can spend more time sharing the fun and wonder of the toddler years with your child and less time getting worn down by constant battling, negotiating or protesting. In this highly practical book Kathryn demystifies your growing toddler's needs as he or she tries to make sense of the world. She also offers clear guidance on how to solve 100 common parenting challenges within the key areas of sleeping, eating, behaviour, potty training and relationships. With the help of practical tools and advice on how to approach a challenge, including suggestions of what to say and do, Kathryn will help you lovingly and firmly resolve whatever it is within three days. She also offers concrete support for you as a parent to help you stay calm and in control, empowering you to parent your toddler with greater confidence and ease. Accompanies Channel 4's TV series, The Three Day Nanny.

The original edition of this Manual; The Nanny Textbook was published in 1987 and quickly became a staple in nanny training programs. From Australia to New England and through-out the Midwest, the vast majority of nanny training programs listed The Nanny Textbook as required reading. The curriculum is based upon more than two decades of research and covers all of the essential fundamental principles of in-home childcare. It is a basic reference for anyone employed to care for children and for parents wishing to learn what to expect from a professional nanny.

For more than 25 years, Guy Maddalone and his company, GTM Household Employment Experts, have assisted countless families with finding the right help to meet their needs. In How to Hire a Nanny, Guy passes on the same invaluable advice he's given to his clients. Readers will find information on how to hire, manage, and retain household employees, as well as sample interview questions, offer letters, and job descriptions. This new edition will feature updated information on employment laws and the best practices for finding help online.
