THE BADDEST VIRGIN TEXAS, by Maggie Shayne, is easy to read and should be done so between more scholarly works; say something between David Baldacci and Michael Connelly. Nothing sophisticated in Shayne's piece, but it is a quick read and kind of cute, I have to say.

Unfortunately, her five big (really big) brothers have other ideas. And so does Lash, who had his fill of large families and overbearing "brothers" during his childhood in foster care. He' s a loner and a drifter and he intends to stay that way. Can the youngest Brand on the ranch handle six uncooperative males and land the man of her dreams? And when the cavalry shows up, it' s Jessi leading the charge.

Baby on his Doorstep! Sheriff Garrett Brand has raised his entire brood of siblings single-handedly, and he' s done his best to teach them some values, to mold them into honorable, responsible, and trustworthy human beings. So when a baby lands on the doorstep of the Texas Brand, his first question is which younger brother is in for a butt-kicking? But the little fellow isn' t named after Ben, or Wes, or Adam, or Elliot. The little feller is named after him – Garrett Ethan Brand – according to the note his mama left behind. He' s still racking his brain to figure it all out, when a woman shows up at the ranch in the dead of night, spitting, fighting mad, and accusing Garrett of murdering her sister and stealing the baby! Chelsea is confused, heartbroken, and too mad to think straight, and the same trouble that found her poor sister is right on her tail. But of all the places she and the baby could' ve wound up, Garrett thinks this ranch is the best one. Because this is one family that knows how to pull together and trouble doesn' t stand a chance against The Brands of Texas.
