In this " thought-provoking blend of history, biography, women' s studies, and travelogue " (Library Journal) Mia Kankimäki recounts her enchanting travels in Japan, Kenya, and Italy while retracing the steps of ten remarkable female pioneers from history. What can a forty-something childless woman do? Bored with her life and feeling stuck, Mia Kankimäki leaves her job, sells her apartment, and decides to travel the world, following the paths of the female explorers and artists from history who have long inspired her. She flies to Tanzania and then to Kenya to see where Karen Blixen—of Out of Africa fame—lived in the 1920s. In Japan, Mia attempts to cure her depression while researching Yayoi Kusama, the contemporary artist who has voluntarily lived in a psychiatric hospital for decades. In Italy, Mia spends her days looking for the works of forgotten Renaissance women painters of the Uffizi Gallery in Florence, and finally finds her heroines in the portraits of Sofonisba Anguissola, Lavinia Fontana, and Artemisia Gentileschi. If these women could make it in the world hundreds of years ago, why can' t Mia? The Women I Think About at Night is " an estute, entertaining... [and] insightful " (Publishers Weekly) exploration of the lost women adventurers of history who defied expectations in order to see—and change—the world.

Arriving one year after the Haitian-American's first novel (Breath, Eyes, Memory) alerted critics to her compelling voice, these 10 stories, some of which have appeared in small literary journals, confirm Danticat's reputation as a remarkably gifted writer. Examining the lives of ordinary Haitians, particularly those struggling to survive under the brutal Duvalier regime, Danticat illuminates the distance between people's desires and the stifling reality of their lives. A profound mix of Catholicism and voodoo spirituality informs the tales, bestowing a mythic importance on people described in the opening story, "Children of the Sea," as those "in this world whose names don't matter to anyone but themselves." The ceaseless grip of dictatorship often leads men to emotionally abandon their families, like the husband in "A Wall of Fire Rising," who dreams of escaping in a neighbor's hot-air balloon. The women exhibit more resilience, largely because of their insistence on finding meaning and solidarity through storytelling; but Danticat portrays these bonds with an honesty that shows that sisterhood, too, has its power plays. In the book's final piece, "Epilogue: Women Like Us," she writes: "Are there women who both cook and write? Kitchen poets, they call them. They slip phrases into their stew and wrap meaning around their pork before frying it. They make narrative dumplings and stuff their daughter's mouths so they say nothing more." The stories inform and enrich one another, as the female characters reveal a common ancestry and ties to the fictional Ville Rose. In addition to the power of Danticat's themes, the book is enhanced by an element of suspense (we're never certain, for example, if a rickety boat packed with refugees introduced in the first tale will reach the Florida coast). Spare, elegant and moving, these stories cohere into a superb collection.

In a fusion of fact and fiction, nineteenth-century women institutionalized as hysterics reveal what history ignored " City of Incurable Women is a brilliant exploration of the type of female bodily and psychic pain once commonly diagnosed as hysteria—and the curiously hysterical response to it commonly exhibited by medical men. It is a novel of powerful originality, riveting historical interest, and haunting lyrical beauty. " —Sigrid Nunez, author of The Friend and What Are You Going Through " Where are the hysterics, those magnificent women of former times? " wrote Jacques Lacan. Long history' s ghosts, marginalized and dispossessed due to their gender and class, they are reimagined by Maud Casey as complex, flesh-and-blood people with stories to tell. These linked, evocative prose portraits, accompanied by period photographs and medical documents both authentic and invented, poignantly restore the humanity to the nineteenth-century female psychiatric patients confined in Paris' s Salpêtrière hospital and reduced to specimens for study by the celebrated neurologist Jean-Martin Charcot and his male colleagues. Maud Casey is the author of five books of fiction, including The Man Who Walked Away, and a work of nonfiction, The Art of Mystery: The Search for Questions. A Guggenheim Fellow and recipient of the St. Francis College Literary Prize, she teaches at the University of Maryland.

#1 New York Times bestselling author Holly Black makes her stunning adult debut with Book of Night, a modern dark fantasy of betrayals, cabals, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn' t pick, a book she couldn' t steal, or a bad decision she wouldn' t make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she' s trying to distance herself from past mistakes, but getting out isn' t easy. Bartending at a dive, she' s still entirely too close to the corrupt underbelly of the Berkshires. From an acclaimed and powerful talent in historical fiction, a literary historical novel set in a bohemian enclave of Vienna about love, freedom, and what constitutes a family
Set in Vienna from 1910 to 1946, All of You Every Single One is an atmospheric, original, and deeply moving novel about family, freedom, and how true love might survive impossible odds. Julia Lindqvist, a woman unhappily married to a famous Swedish playwright, leaves her husband to begin a passionate affair with a female tailor named Eve. The pair run away together and settle in the more liberal haven of Vienna, where they fall in love, navigate the challenges of their newfound independence, and find community in the city' s Jewish quarter. But Julia' s yearning for a child throws their fragile happiness into chaos and threatens to destroy her life and the lives of those closest to her. Ada Bauer' s wealthy industrialist family have sent her to Dr. Freud in the hope that he can cure her mutism—and do so without a scandal. But help will soon come for Ada from an unexpected place, changing many lives irrevocably. Through the lives of her queer characters, and against the changing backdrop of one of the greatest cities of the age, Hitchman asks what it' s like to live through oppression, how personal decisions become political, and how far one will go to protect the ones they love. Moving across Europe and through decades, Hitchman' s sophomore novel is an intensely poignant portrait of life and love on the fringes of history.
