“Reading The Essential Hits of Shorty Bon Bon is like walking into a Bembé, just at the moment when the gods have descended, the moment between the silence of awe and the still shrill cry of the singers. And Perdomo’s skill and lyrical voice is like a wet finger drawn slowly, agonizingly over the taut skin of a drum face, until the very last moment when it explodes into beat.

In The Essential Hits of Shorty Bon Bon, Perdomo brings spoken word, at its best, to the printed page. Willie Perdomo's words are like colorful murals, and he draws from his roots as one of the Nuyorican Poets to paint a picture of Afro-Latino life in this, his second collection of poetry.

A suite of poems about a percussionist in 1970 Spanish Harlem music circles, from the author of *The Crazy Bunch* A National Book Critics Circle 2014 Finalist for Poetry Through dream song and elegy, alternate takes and tempos, prizewinning poet Willie Perdomo's third collection crackles with vitality and dynamism as it imagines the life of a percussionist, rebuilding the landscape of his apprenticeship, love, diaspora, and death. At the beginning of his infernal journey, Shorty Bon Bon recalls his live studio recording with a classic 1970s descarga band, sharing his recollection with an unidentified poet. This opening section is followed by a call-and-response with his greatest love, a singer named Rose, and a

visit to Puerto Rico that inhabits a surreal nationalistic dreamscape, before a final jam session where Shorty recognizes his end and a trio of voices seek to converge on his elegy.

From a prize-winning poet, a new collection that chronicles a weekend in the life of a group of friends coming of age in East Harlem at the dawn of the hip-hop era Willie Perdomo, a native of East Harlem, has won praise as a hip, playful, historically engaged poet whose restlessly lyrical language mixes "city life with a sense of the transcendent" (NPR.org). In his fourth collection, *The Crazy Bunch*, Perdomo returns to his beloved neighborhood to create a vivid, kaleidoscopic

portrait of a "crew" coming of age in East Harlem at the beginning of the 1990s. In poems written in couplets, vignettes, sketches, riffs, and dialogue, Perdomo recreates a weekend where surviving members of the crew recall a series of tragic events: "That was the summer we all tried to fly. All but one of us succeeded."

“Olivarez steps into the ‘inbetween’ standing between Mexico and America in these compelling, emotional poems. Written with humor and sincerity” (Newsweek). Named a Best Book of the Year by Newsweek and NPR. In this “devastating debut” (Publishers Weekly), poet José Olivarez explores the stories, contradictions, joys, and sorrows that embody life in the spaces between Mexico and America. He paints vivid portraits of good kids, bad kids, families clinging to hope, life after the steel mills, gentrifying barrios, and everything in between. Drawing on the rich traditions of Latinx and Chicago writers like Sandra Cisneros and Gwendolyn Brooks, Olivarez creates a home out of life in the in-between.

Get Free The Essential Hits Of Shorty Bon Bon Paperback

Combining wry humor with potent emotional force, Olivarez takes on complex issues of race, ethnicity, gender, class, and immigration using an everyday language that invites the reader in, with a unique voice that makes him a poet to watch. “The son of Mexican immigrants, Olivarez celebrates his Mexican-American identity and examines how those two sides conflict in a striking collection of poems.” —USA Today

This companion title to Trombone Shorty—Caldecott Honor, Coretta Scott King Award and Odyssey Honor winner—is a well-tuned, beautiful visual and auditory exploration of a beloved community as Shorty visits

the streets of New Orleans to find answers on how to be a leader in his band.

A superb new collection from “a great American poet . . . still at work on his almost-song of himself” (The New York Times Book Review). In both lively prose poems and more formal verse, Philip Levine brings us news from everywhere: from Detroit, where exhausted workers try to find a decent breakfast after the late shift, and Henry Ford, “supremely bored” in his mansion, clocks in at one of his plants . . . from Spain, where a woman sings a song that rises at dawn, like the dust of ages, through an open window . . . from Andorra, where an old Communist can now

supply you with anything you want—a French radio, a Cadillac, or, if you have a week, an American film star. The world of his poetry is one of questionable magic: a typist lives for her only son who will die in a war to come; three boys fish in a river while a fine industrial residue falls on their shoulders. This is a haunted world in which exotic animals travel first class, an immigrant worker in Detroit yearns for the silence of his Siberian exile, and the Western mountains “maintain that huge silence we think of as divine.” A rich, deeply felt collection from one of our master poets.

Winner, 2015 Whiting Award for Poetry Stunning,

highly original poems that celebrate the richness of the author's multicultural tradition, Teeth explores loves, wars, wild hope, defiance, and the spirit of creativity in a daring use of language and syntax. Behind this language one senses a powerful, inventive woman who is not afraid to tackle any subject, including rape, genocide, and love, always sustained by an optimistic voice, assuring us that in the end justice will triumph and love will persevere. LOVE, you be the reason why we swagger & jive, lift the guitar, & pick up the axe. when it is i tilt my hat to the side, wearing colors & perfumes, it's cause, love, you did it to me. oh, you do sure turn my tongue to fiddle, & make the salt taste sweet. man, i don't need a

rooster, or peacock even, to help me spend my time, nope, just you, love, right & solid as a line.

Musaicum Books presents to you this carefully created volume of "The Essential Max Brand - 29 Westerns in One Edition". This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices. Frederick Schiller Faust (1892-1944) was an American author known primarily for his thoughtful and literary Westerns under the pen name Max Brand. Brand also created the popular fictional character of young medical intern Dr. James Kildare in a series of pulp fiction stories. Prolific in many genres he wrote

Get Free The Essential Hits Of Shorty Bon Bon Paperback

historical novels, detective mysteries, pulp fiction stories and many more. His love for mythology was a constant source of inspiration for his fiction, and it has been speculated that these classical influences accounted in some part for his success as a popular writer. Many of his stories would later inspire films.
