The Man From Berlin (Gregor Reinhardt, #1) by Luke McCallin Set in Sarajevo, in 1943, this novel features Captain Gregor Reinhardt, a previous detective in Berlin, who is now a member of military intelligence. This is obviously set in the Second World War and things are rarely clear cut and like so many crime novels set in this era, such as the fabulous Bernie Gunther series, there is little that is black and white in the beginning of this series either.
