The Matchbox Diary is a story about a great granddaughter who is discovering what her great grandfather's life was like in Italy. It was very interesting to hear his point of view about growing up and immigrating to America at a young age. The story discusses how the great grandfather would keep little momentos from his life as a diary.

“Instantly engrossing, free of self-pity, and resonant with resilience and gratitude . . . A powerful introduction to the American immigrant story.” — Publishers Weekly (starred review) When a little girl visits her great-grandfather, she asks about the collection of matchboxes harboring objects she can hold in her hand, each one evoking a memory. Together they tell of his journey from Italy to a new country, before he could read and write: the olive pit his mother gave him to suck on when there wasn’t enough food; a bottle cap he saw on his way to the boat; a ticket still retaining the thrill of his first baseball game. Newbery Medalist Paul Fleischman and acclaimed illustrator Bagram Ibatoulline tell a breathtaking immigration tale with appeal across generations.

Paul Fleischman spins three engrossing stories about the unexpected ways an artist's creations reveal truths - tales whose intriguing plots and many moods will entertain readers and inspire future writers. Can wood, copper, or marble communicate? They can if they are the graven images in Newbery Medalist Paul Fleischman's trio of eerie, beguiling short stories. If you whisper a secret into a wooden statue's ear, will anyone find out? Can a wobbly weathervane bearing the image of Saint Crispin, the patron saint of shoemakers, steer a love-struck apprentice toward the girl of his dreams? And if a ghost hires a sculptor to carve a likeness of him holding a drink to a baby's lips, what ghastly crime might lie behind his request? And, in a brand-new afterword, the acclaimed storyteller reveals how he found his own author's voice.

"This fantastical picture book, like its hero, is bursting at the seams with creativity. . . . a vigorous shot in the arm to nonconformists everywhere" — Publishers Weekly (starred review) Enter the witty, intriguing world of Weslandia! Now that school is over, Wesley needs a summer project. He's learned that each civilization needs a staple food crop, so he decides to sow a garden and start his own — civilization, that is. He turns over a plot of earth, and plants begin to grow. They soon tower above him and bear a curious-looking fruit. As Wesley experiments, he finds that the plant will provide food, clothing, shelter, and even recreation. It isn't long before his neighbors and classmates develop more than an idle curiosity about Wesley — and exactly how he is spending his summer vacation.

It's Hallowe'en and Podgy Bottom is in trouble. All over town cars are being shrunk to the size of a matchbox in the blink of an eye; a giant purple bunny rabbit is running riot and a strange-looking broomstick is causing chaos and calamity... Sounds like a case for Wings & Co, the famous fairy detective agency! Can Emily, Budget and Fidget put a stop to this magical mischief before it's too late? Another fantastic story for younger readers from Sally Gardner, winner of the COSTA BOOK AWARD 2013, and acclaimed artist, David Roberts. If you loved David Walliams's GANGSTA GRANNY, you'll love these hilarious tales of mischief, mayhem, magic and mystery.

After being forced to sell the animals he loves, a farmer cuts his hedge to look like them and teaches his sons about following their hearts.

Offers a retelling of the story of the Trojan War illustrated with collages featuring newspaper clippings of modern events from World War I through the Iraq War.

From the Newbery Medal-winning author of Seedfolks, Paul Fleischman, Joyful Noise is a collection of irresistible poems that celebrates the insect world. Funny, sad, loud, and quiet, each of these poems resounds with a booming, boisterous, joyful noise. The poems resound with the pulse of the cicada and the drone of the honeybee. They can be fully appreciated by an individual reader, but they're particularly striking when read aloud by two voices, making this an ideal pick for classroom use. Eric Beddows's vibrant drawings send each insect soaring, spinning, or creeping off the page in its own unique way. With Joyful Noise, Paul Fleischman created not only a fascinating guide to the insect world but an exultant celebration of life.
