This novel is YA fantasy and the premise is as follows: our main character called Clara has a sister called Maren who starts transforming into a mermaid. Can Clara stop the transformation and keep her sister by her side forever?

In a cottage high atop Llanfair Mountain, sixteen-year-old Clara lives with her sister, Maren, and guardian Auntie. By day, they gather herbs for Auntie s healing potions. By night, Auntie spins tales of faraway lands and wicked fairies. Clara s favorite story tells of three orphan infants Clara, who was brought to Auntie by a stork; Maren, who arrived in a seashell; and their best friend, O'Neill, who was found beneath an apple tree. One day, Clara discovers shimmering scales just beneath her sister s skin. She realizes that Maren is becoming a mermaid and knows that no mermaid can survive on land. Desperate to save her, Clara and O'Neill place the mermaid-girl in their gypsy wagon and set out for the sea. But no road is straight, and the trio encounters trouble around every bend. Ensnared by an evil troupe of traveling performers, Clara and O'Neill must find a way to save themselves and the ever-weakening mermaid.

Finding that her sister is beginning to turn into a mermaid, Clara and her best friend O'Neill try to get her sister from their mountaintop cottage to the sea, but run into myriad problems along the way. Shelly is tired of her brother, Gordy. She'd much prefer a sister. So when Coral catches a wave to shore, they are instant friends, even if one of them has flippers instead of feet. They dance and play and eat peanut butter and jellyfish sandwiches. It's great having a mermaid sister! But when Shelly and Coral get in their first fight, Shelly wonders if Coral might be happier back at sea. Life with a sister can have its ups and downs, but it's nothing another day at the beach can't fix.

From Katie Schickel, one of Booklist's Top 10 Women's fiction of 2015, comes The Mermaid's Secret, an original, fresh, and absolutely captivating beach read. Life on land is suffocating for Jess Creary, who wastes her summers flipping burgers for tourists on a fishing boat off her quaint resort island home off the coast of Maine. Surfing and the handsome Captain Matthew are about the only bright spots in her life. Then, on her twenty-third birthday, Jess catches the perfect wave--a wave that transforms her into a mermaid. Under the sea, a startlingly beautiful, dark place, Jess is reborn into a confident, powerful predator with superhuman strength --finally she is someone to be reckoned with. Meanwhile, back on land, Jess's relationship with Captain Matthew heats up, and so does her search for justice for Kay. Jess has thirty days to choose between land and sea; legs and fins; her humanity and her freedom. Who could ignore the freedom of the sea? Yet, the ocean is a dark, wild, lonely place. Is this a gift or a curse? Will Jess choose family and love, forgiveness and truth, or will she be seduced by the wild call of the sparkling sea forever? In a world divided by colonialism and threaded with magic, a desperate orphan turned pirate and a rebellious imperial lady find a connection on the high seas. Aboard the pirate ship Dove, Flora the girl takes on the identity of Florian the man to earn the respect and protection of the crew. For Flora, former starving urchin, the brutal life of a pirate is about survival: don't stick out, and don't feel. But on this voyage, Flora is drawn to the Lady Evelyn Hasegawa, who is headed to an arranged marriage she dreads. Flora doesn't expect to be taken under Evelyn's wing, and Evelyn doesn't expect to find such a deep bond with the pirate Florian. Neither expects to fall in love. Soon the unlikely pair set in motion a wild escape that will free a captured mermaid (coveled for her blood) and involve the mysterious Pirate Supreme, an opportunistic witch, double agents, and the all-encompassing Sea herself. Deftly entwining swashbuckling action and quiet magic, Maggie Tokuda-Hall's inventive debut novel conjures a diverse cast of characters seeking mastery over their fates while searching for answers to big questions about identity, power, and love.
