Morning pages help me declare my freedom. My freedom from that censor I have in my head. I start things and make decisions regardless of how that censor tells me I will fail. “It is impossible to write Morning Pages without changing your life” says Julia Cameron. It worked for me and I will keep writing them.

Think of your pages like a whisk broom. You stick the broom into all the corners of your consciousness. If you do this first thing in the morning, you are laying out your track for the day. Pages tell you of your priorities. With the pages in place first thing, you are much less likely to fall in with others' agendas. Your day is your
