Language Ideologies, Multilingual Approaches. The "Multilingual Turn" is a term used to critique the monolingual ideologies originating in the nation-state that have dominated research in Applied Linguistics and Second Language Acquisition in the U.S. Although multilingual ideologies of language have long existed in highly multilingual contexts, they have recently gained traction in critiques of the fields of Second Language Acquisition, Multilingual education, and TESOL (Teaching ...

Recent debates over the notion of the multilingual turn in applied linguistics in general and Second Language Acquisition (SLA) in particular clearly reflect the robustness of the notion in the fields. Yet, what is often ignored in the debate is the fact the notion itself is by nature problematic, and, as a consequence, the discussion of its ...

**THE MULTILINGUAL TURN IN SLA AND THE PRAXIS OF DECOLONIAL** ...

In lingua franca situations, most speakers of the common language are functionally multilingual. The reverse phenomenon, where people who know more than one language end up losing command of some or all of their additional languages, is called language attrition. It has been documented that, under certain conditions, individuals may lose their L1 language proficiency completely, after switching to the exclusive use of another language, and effectively "become native" in a language that was ...

**The Multilingual Turn in Languages Education eBook por** ...

Drawing on the latest developments in bilingual and multilingual research, The Multilingual Turn offers a critique of, and alternative to, still-dominant monolingual theories, pedagogies and practices in SLA, TESOL, and bilingual education. Critics of the 'monolingual bias' argue that notions such as the idealized native speaker, and related concepts of interlanguage, language competence, and fossilization, have framed these fields inextricably in relation to monolingual speaker norms.

A multilingual (or multi-language) website is a site that offers translated content in more than one language. For instance, English, Spanish, Ukrainian, and Chinese. The content and information (posts, site menu, etc) shown in different languages may be the same, but may also be customized for different audiences.

**How to Make Your WordPress Website Multilingual (The Easy Way)**

Click Multilingual App Toolkit > Add translation languages.... In the Translation Languages dialog, select the language (s) you want to support, and click OK. The toolkit does these things in response. For each language you added, a new folder is created named for the BCP-47 language tag of the language.
