The newspaper designer's handbook (1998 edition) | Open ...  
Throughout the seven editions of this book, Harrower has successfully deconstructed the process of laying out newspaper pages. For journalism students and professionals alike, countless designers have used this book to learn how to design and improve their skills as visual communicators. Harrower's unique voice and quirky sense of humor are still very much alive in the seventh edition.

The Newspaper Designer's Handbook / Edition 7 by Tim ...  
This book is especially good for beginning visual media design related to creating newspapers. It is something that both journalism and visual media teachers can use for their beginning students in highschool and junior college classroom situations. A big plus for this Newspaper Designer Handbook.
