Not me - I like my romance novels to make me feel like I've been sucker-punched in the solar plexus half a dozen times before throwing me out on my ass in the middle of a busy sidewalk. That's why I chose THE OPPORTUNIST as my "second chance romance"; when it comes to messed-up romance novels, Tarryn Fisher invariably delivers.

Wow. Incredibly unique. A brilliantly crafted story of love, manipulation and lies. This books begs the question... How far should we truly go in the name of love? And more so, if what we do is done for love, can we be redeemed? Related Posts: My review of Dirty Red (#2, Love Me With Lies), My review of Thief (#3, Love Me With Lies), 2013 Favorites

The Opportunist Olivia Kaspen never imagined she'd get a second chance with her first love, the one she foolishly let slip away. When fate brings them together in a chance encounter, Olivia discovers that not only has Caleb Drake moved on, but he's forgotten her too. Olivia finds herself asking how far she is willing to go to get him back. Standing in her way is his new girlfriend, a red-headed viper named Leah Smith. Olivia must fight for what was once hers, and in the process discover that sometimes love falls short of redemption.

"Leah Smith finally has everything she has ever wanted--except she doesn't. Her marriage feels more like a loan than a lifelong commitment, and the image she has worked so hard to build is fraying before her eyes. With a new role and a past full of secrets, Leah must decide how far she is willing to go to keep what she has stolen"--Back cover.

"Caleb Drake never got over his first love. Not when he got married. Not when she got married. When life suddenly comes full circle Caleb must decide how far he is willing to go to get the aloof and alluring Olivia Kaspen back. But for every action in life there is a consequence, and soon Caleb finds out that sometimes love comes at an unbearably high price"--Back cover.

Helena Conway has fallen in love. Unwillingly. Unwittingly. But not unprovoked. Kit Isley is everything she's not-unstructured, untethered, and not even a little bit careful. It could all be so beautiful ... if he wasn't dating her best friend. Helena must defy her heart, do the right thing, and think of others. Until she doesn't.

In the Bone there is a house.In the house there is a girl.In the girl there is a darkness.Margo is not like other girls. Judah Grant, that things begin to change. When neighborhood girl, seven-year-old Neveah Anthony, goes missing, Judah sets out to help Margo uncover what happened to her. What Margo finds changes her, and with a new perspective on life, she's determined to find evil and punish it--targeting rapists and child molesters, one by one. But hunting evil is dangerous, and Margo risks losing everything, including her own soul.

When Fig Coxbury buys a house on West Barrett Street, it's not because she likes the neighborhood, or even because she likes the house. It's because everything she desires is next door: The husband, the child, and the life that belongs to someone else.

When reclusive novelist Senna Richards wakes up on her thirty-third birthday, everything has changed. Caged behind an electrical fence, locked in a house in the middle of the snow, Senna is left to decode the clues to find out why she was taken. If she wants her freedom, she has to take a close look at her past. But, her past has a heartbeat...and her kidnapper is nowhere to be found. With her survival hanging by a thread, Senna soon realizes this is a game. A dangerous one. Only the truth can set her free.

The profound emotion felt around the world upon seeing images of Notre-Dame in flames opens up a series of questions: Why was everyone so deeply moved? Why does Notre-Dame so clearly crystallise what our civilisation is about? What makes ' Our Lady of Paris ' the soul of a nation and a symbol of human achievement? What is it that speaks so directly to us today? In answer, Agnès Poirier turns to the defining moments in Notre-Dame ' s history. Beginning with the laying of the corner stone in 1163, she recounts the conversion of Henri IV to Catholicism, the coronation of Napoleon, Victor Hugo ' s nineteenth-century campaign to preserve the cathedral, Baron Haussmann ' s clearing of the streets in front of it, the Liberation in 1944, the 1950s film of The Hunchback of Notre-Dame, starring Gina Lollobrigida and Anthony Quinn, and the state funeral of Charles de Gaulle, before returning to the present. The conflict over Notre-Dame ' s reconstruction promises to be fierce. Nothing short of a cultural war is already brewing between the wise and the daring, the sincere and the opportunist, historians and militants, the devout and secularists. It is here that Poirier reveals the deep malaise – gilet jaunes and all – at the heart of the France.

INSTANT NEW YORK TIMES BEST SELLER From the New York Times best-selling author of *The Weight of Water* and *The Pilot's Wife* (an Oprah's Book Club selection): an exquisitely suspenseful new novel about an extraordinary young woman tested by a catastrophic event and its devastating aftermath--based on the true story of the largest fire in Maine's history In October 1947, after a summer long drought, fires break out all along the Maine coast from Bar Harbor to Kittery and are soon racing out of control from town to village. Five months pregnant, Grace Holland is left alone to protect her two toddlers when her husband, Gene, joins the volunteer firefighters. Along with her best friend, Rosie, and Rosie's two young children, Grace watches helplessly as their houses burn to the ground, the flames finally forcing them all into the ocean as a last resort. The women spend the night frantically protecting their children, and in the morning find their lives forever changed: homeless, penniless, awaiting news of their husbands' fate, and left to face an uncertain future in a town that no longer exists. In the midst of this devastating loss, Grace discovers glorious new freedoms--joys and triumphs she could never have expected her narrow life with Gene could contain--and her spirit soars. And then the unthinkable happens--and Grace's bravery is tested as never before.

good one." —Carlos Lozada, The Washington Post "The Free World sparkles. Fully original, beautifully written . . . One hopes Menand has a sequel in mind. The bar is set very high."

—David Oshinsky, The New York Times Book Review | Editors' Choice One of The New York Times's 100 best books of 2021 | One of The Washington Post's 50 best nonfiction books of 2021 | A Mother Jones best book of 2021 In his follow-up to the Pulitzer Prize–winning *The Metaphysical Club*, Louis Menand offers a new intellectual and cultural history of the postwar years. The Cold War was not just a contest of power. It was also about ideas, in the broadest sense—economic and political, artistic and personal. In *The Free World*, the acclaimed Pulitzer Prize–winning scholar and critic Louis Menand tells the story of American culture in the pivotal years from the end of World War II to Vietnam and shows how changing economic, technological, and social forces put their mark on creations of the mind. How did elitism and an anti-totalitarian skepticism of passion and ideology give way to a new sensibility defined by freewheeling experimentation and loving the Beatles? How was the ideal of “freedom” applied to causes that ranged from anti-communism and civil rights to radical acts of self-creation via art and even crime? With the wit and insight familiar to readers of *The Metaphysical Club* and his *New Yorker* essays, Menand takes us inside Hannah Arendt’s Manhattan, the Paris of Jean-Paul Sartre and Simone de Beauvoir, Merce Cunningham and John Cage’s residencies at North Carolina’s Black Mountain College, and the Memphis studio where Sam Phillips and Elvis Presley created a new music for the American teenager. He examines the postwar vogue for French existentialism, structuralism and post-structuralism, the rise of abstract expressionism and pop art, Allen Ginsberg’s friendship with Lionel Trilling, James Baldwin’s transformation into a Civil Rights spokesman, Susan Sontag’s challenges to the New York Intellectuals, the defeat of obscenity laws, and the rise of the New Hollywood. Stressing the rich flow of ideas across the Atlantic, he also shows how Europeans played a vital role in promoting and influencing American art and entertainment. By the end of the Vietnam era, the American government had lost the moral prestige it enjoyed at the end of the Second World War, but America’s once-despised culture had become respected and adored. With unprecedented verve and range, this book explains how that happened.
