Comments. There ' s a fascinating article
by Leslie et al. and map created by a
research project funded by the Wellcome
trust. It ' s all about creating a genetic
map of the British Isles, to challenge or
maybe confirm all those stories we have in
the British Isles ...

Origins of the British — a recent study —
The History of ...

History has long maintained that the
Anglo-Saxon overtaking of the Iron Age
Celts was the origin of the British people.
Celtic Britain reconstructs the peopling of
Britain — through a study of genetics,
climatology, archaeology, language,
culture, and history — and overturns that
myth and others.

The Origins of the British: A Genetic

Online Library The Origins Of The British A Genetic Detective Story by ... By Stephen Osborne

Origins of the British Empire Great Britain made its first tentative efforts to establish overseas settlements in the 16th century. Maritime expansion, driven by commercial ambitions and by competition with France , accelerated in the 17th century and resulted in the establishment of settlements in North America and the West Indies .

Large DNA Study Confirms Mysterious Origins of British People

The genetic history of the British Isles is the subject of research within the larger field of human population genetics. It has developed in parallel with DNA testing technologies capable of identifying genetic similarities and differences between both modern and ancient populations. The conclusions of population genetics regarding the British Isles in turn draw upon and contribute to the ...

Prince Albert – the newly installed husband of Queen Victoria – is popularly associated with institutionalising the British family Christmas, an institution which is still with us. It was Albert, for example, who brought from his native Germany the tannenbaum , or Christmas Tree. 1841 is the normally given as the date for this happy importation.

BPS Origins - British Psychological Society

The British Empire comprised the dominions, colonies, protectorates, mandates, and other territories ruled or administered by the United Kingdom and its predecessor states. It originated with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height, it was the largest empire in history
