appropriate for use both inside and beyond the classroom Enlivened through the use of real-world and hypothetical examples Cross-referencing of entries helps to connect and contrast ideas Features lists of prominent ethics organizations and useful websites

Access Free The Philosophers Toolkit A

Encourages readers to think critically about ethics and teaches them how to engage intelligently in ethical study, thought, and debate

This book is designed to explain the technical ideas that are taken for granted in much contemporary

Access Free The Philosophers Toolkit A

philosophical writing. Notions like denumerability, modal scope distinction, Bayesian conditionalization, and logical completeness are usually only elucidated deep within difficult specialist texts. By offering simple explanations that by-pass much

Access Free The Philosophers Toolkit A

irrelevant and boring detail,
Philosophical Devices is able to
cover a wealth of material that
is normally only available to
specialists. The book contains four
sections, each of three chapters.
The first section is about sets and
numbers, starting with the

Access Free The Philosophers Toolkit A

membership relation and ending with the generalized continuum hypothesis. The second is about analyticity, a prioricity, and necessity. The third is about probability, outlining the difference between objective and subjective probability and exploring aspects

Access Free The Philosophers Toolkit A

of conditionalization and correlation. The fourth deals with metalogic, focusing on the contrast between syntax and semantics, and finishing with a sketch of Gödel's theorem. Philosophical Devices will be useful for university students who have got past the

Access Free The Philosophers Toolkit A

Compendium Of
Philosophical

foothills of philosophy and are starting to read more widely, but it does not assume any prior expertise. All the issues discussed are intrinsically interesting, and often downright fascinating. It can be read with pleasure and profit by anybody who is curious about the
