Two women. One house. And a secret that spans decades... The past merges with the present in an unforgettable, poignant story of love, loss and courage in this beautifully written story set between World War Two and the present day. She steps into the room and it's like going back in time. Catapulting her right into the heart of the 1940s. The spindle of the record player frozen and ready to play. The flowery wallpaper faded but intact. A soldier's uniform pressed and hung on a door, coal still in the fireplace. A floorboard creaks beneath her and she notices a small desk in the corner of the room. She opens the top drawer and runs her hands along the edges, something catching at her fingertips. A hidden compartment. And behind it, the soft edges of a book. As she dusts it off, she can see it has a red leather covering, the pages yellowing with age. She realises it's a diary. Some of the pages have been torn out. The first entry has 16th June 1945 printed in neat little letters at the top. Below it, in hurried, untidy script are the words: 'My name is Nancy Jones. And I have a secret...' Fans of The Tattooist of Auschwitz, The Alice Network, and Lilac Girls will love this incredible tale of the amazing bravery and inspiring friendships of everyday women during World War Two that had the power to change history. Why readers love Anna Stuart: 'I absolutely LOVE this book... it had my heart breaking and tears constantly streaming down my face!... I can't give this enough praise, I genuinely loved it so much... A beautiful love story... an emotional rollercoaster... such a tear jerker. Absolutely recommended from me, you NEED to read this!' Curled Up With a Good Book, "On my heart... I love this book... a real tearjerker... so heart-warming. If you need a little warm hug of a read then this is just perfect." Goodreads reviewer,

A #1 international bestseller in the vein of Fredrik Bachman's A Man Called Ove: an irresistible, funny, charming, and tender-hearted tale about friendship, love, and an old man who is young at heart. 'FUNNY AND FRANK... A STORY WITH A GREAT DEAL OF HEART.'--Graeme Simsion, New York Times bestselling author of THE ROSIE PROJECT Technically speaking, Hendrik Groen is...elderly. But at age 83 1/4, this feisty, indomitable curmudgeon has no plans to go out quietly. Bored of weak tea and potted geraniums, exasperated by the indignities of aging, Hendrik has decided to rebel—on his own terms. He begins writing an exposé : secretly recording the antics of day-to-day life in his retirement home, where he refuses to take himself, or his fellow "inmates," too seriously. With an eccentric group of friends he founds the wickedly anarchic Old-But-Not-Dead Club—"Rule #3: No Whining Allowed"—and he and his best friend, Evert, gleefully stir up trouble, engaging the home's humorless director and turning themselves into unlikely heroes. And when a sweet and sassy widow moves in next door, he polishes his shoes, grooms what's left of his hair, and determines to savor every ounce of joy in the time he has left, with hilarious and tender consequences. A bestselling phenomenon that has captured imaginations around the world, The Secret Diary of Hendrik Groen is inspiring, charming, and laugh-out-loud funny with a deep and poignant core: a page-turning delight for readers of any age.
