REVIEW: The Thin Man by Dashiell Hammett – Elisha's Book ...

The Thin Man is a (sort of) noir novel by one of the greats of noir crime history, Dashiell Hammett, who is best known for creating Sam Spade in The Maltese Falcon. But The Thin Man was also a well known and much read series, and maybe still is. This one features the lush drinking duo Nick and Nora Charles and opens very much like a screwball comedy.

Book review: The Return of the Thin Man by Dashiell Hammett

Dashiell Hammett had a very eventful life. Born in 1894 in Maryland, USA, he spent most of his childhood in Baltimore and Philadelphia. After dropping out of school at the age of 13, he eventually landed a job in the Pinkerton National Detective Agency where he worked for 7 years.

Dashiell Hammett - Book Series In Order

A classic mystery. The Thin Man by Dashiell Hammett features Nick Charles, a former detective, aged 41, who now lives the high life since his wife, Nora, inherited a fortune. As the book opens, Nick sits drinking at a speakeasy in New York a few days before Christmas 1933 when a young lady approaches him.

In Dashiell Hammett's famous crime novel, we meet one of the detective-story master's most enchanting creations, Nick and Nora Charles, a rich, glamorous couple who solve homicides in between wisecracks and martinis. At once knowing and unabashedly romantic, The Thin Man is a classic murder mystery that doubles as a sophisticated comedy of manners.

"The Thin Man" is set in New York City in December 1932, in the last days of Prohibition. The main characters are a former private detective, Nick Charles and Nora, his clever young wife. Nick, son of a Greek immigrant, has given up his career since marrying Nora, a wealthy socialite and he spends most of his time cheerfully getting drunk in hotel rooms and speakeasies. Nick and Nora have no children but they own a female Schnauzer named Asta. (In the film adaptation, Asta is a male wire-haired fox terrier.) Charles is drawn, mostly against his will, into investigating a murder. The case brings them in contact with the Wynants, a rather grotesque family, and with various policemen and lowlifes. As they attempt to solve the case, Nick and Nora share a great deal of banter and witty dialogue, along with copious amounts of alcohol.

Download Free The Thin Man Dashiell Hammett

After the Thin Man (Nick and Nora investigate a love triangle gone wrong after a dead man is discovered at their door) -- Another Thin Man (After a wealthy business partner of Nora's father's is murdered, Nick and Nora's investigation brings them into the killer's crosshairs).

Before the Thin Man: The Prequel to Dashiell Hammett's "The Thin Man" is a prequel, set in 1928, to the original work based on The Thin Man characters created by Dashiell Hammett in 1933. His book was published in 1934 and soon afterward made into the hit movie of the same name starring William Powell and Myrna Loy as Nick and Nora Charles. The movie was so popular five more movies starring the same lead actors were made in the following thirteen years. The final movie, Song of the Thin Man, was released August 28, 1947. This story shows who Nick and Nora are, where they came from, and how they met to go on to become the iconic detective couple created by Dashiell Hammett.

An anthology of eighteen short stories includes a number of previously unpublished pieces as well as early screen treatments for "On the Make" and "The Kiss-Off."

Detective-story master Dashiell Hammett gives us yet another unforgettable read in Red Harvest: When the last honest citizen of Poisonville was murdered, the Continental Op stayed on to punish the guilty--even if that meant taking on an entire town. Red Harvest is more than a superb crime novel: it is a classic exploration of corruption and violence in the American grain.

The complete novels of Dashiell Hammett--including The Maltese Falcon and The Thin Man--are collected here, offering a harrowing, realistic portrait of crime and introducing such memorable characters as Sam Spade.

A coolly glittering gem of detective fiction that has haunted three generations of readers, from one of the greatest mystery writers of all time. A treasure worth killing for. Sam Spade, a slightly shopworn private eye with his own solitary code of ethics. A perfumed grafter named Joel Cairo, a fat man name Gutman, and Brigid O'Shaughnessy, a beautiful and treacherous woman whose loyalties shift at the drop of a dime. These are the ingredients of Dashiell Hammett's iconic, influential, and beloved The Maltese Falcon.

During their 34-year collaboration, Frances Goodrich and Albert Hackett wrote the screenplays ""It's a Wonderful Life"", ""The Thin Man"", ""Easter Parade"", Father of the Bride"", ""Naughty Marietta"", ""Seven Brides for Seven Brothers"", and both the play and screenplay for The Diary of Anne Frank. This is their story.

A 2016 Edgar Award Nominee Before he became a household name in America as perhaps our greatest hard-boiled crime writer, before his attachment to Lillian Hellman and blacklisting during the McCarthy era, and his subsequent downward spiral, Dashiell Hammett led a life of action. Born in 1894 into a poor Maryland family, Hammett left school at fourteen and held several jobs before joining the Pinkerton National Detective Agency as an operative in 1915 and, with time off in 1918 to serve at the end of World War I, he remained with the agency until 1922, participating alike in the banal and dramatic action of an operative. The tuberculosis he contracted during the war forced him to leave the Pinkertons--but it may well have prompted one of America's most acclaimed writing careers. While Hammett's life on center stage has been well-documented, the question of how he got there has not. That largely overlooked phase is the subject of Nathan Ward's enthralling The Lost Detective. Hammett's childhood, his life in San Francisco, and especially his experience as a detective deeply informed his writing and his characters, from the nameless Continental Op, hero of his stories and early novels, to Sam Spade and Nick Charles. The success of his many stories in the pulp magazine Black Mask following his departure from the Pinkertons led him to novels; he would write five between 1929 and 1934, two of them (The Maltese Falcon and The Thin Man) now American classics. Though he inspired generations of writers, from Chandler to Connelly and all in between, after The Thin Man he never finished another book, a painful silence for his devoted readers; and his popular image has long been shaped by the remembrance of Hellman, who knew him after his literary reputation had been made. Based on original research across the country, The Lost Detective is the first book to illuminate Hammett's transformation from real detective to great American detective writer, throwing brilliant new light on one of America's most celebrated and remembered novelists and his world.
